

**Item 1130-25 Alderman Weidner**

**Department Impacted: Finance and Customer Service**

Eliminate proposed billing data technician and utility accountant from City of Racine finance department and restore accountant and one billing coordinator to Water Utility.

Eliminate proposed 3 customer service positions from City of Racine Dept. of customer service and restore the Accounts Payable Coordinator, the Accounts Receivable Coordinator, and one billing coordinator positions to the Water Utility.

Fiscal Note: No impact on budget as funding for positions were proposed to be transferred from the Utility to the City's general fund.
