#5624

We are requesting a street closing in the one block of Fifth street between Main and Wisconsin on 10/1/2011 for the purpose of providing Motorcycle only parking for the Party on the Pavement event

Party On The Pavement 2011

With Main and Sixth streets closed many of the side streets are virtually closed and become very difficult to navigate in a car.

We would like to open for motorcycle parking only, Fifth street between Wisconsin ave. and Main street.

If we are allowed to open one or more of these streets to motorcycle parking only we can offer safe and secure parking for many more people, and bring people to Down Town Racine and Party on the Pavement that may otherwise not come in to town.

We are Southeastern Wisconsin Harley Owners Group Racine Chapter #5624.

Every year we raise money for local charities through our annual Bike Raffle and our Multi County Poker Run

We donate toys and money raised to the pediatric unit of Wheaton Franciscan Healthcare Racine.

We participate in the St Patricks Day, Fourth Fest and Holiday Parades

We participate in high school and Raider football games to transport cheer leaders and welcome players to the field

We work with the Triathlons and provide drivers and motorcycles for judges, media, and first responders.

We conduct multiple blood drives throughout the year often turning away volunteers because the Blood Mobile can not store any more blood.

We work with the Special Olympics escorting the Flame to the local event at Hammes field.
