Hello Mr. DeHahn!

I am the Office Manager at HOPE Christian School: Via located on 3502 Douglas Ave. I wanted to reach out to you about what we need to do to have a school zone speed sign put up on Douglas Ave outside our school. There have been many speeders and we are going to be doubling in size next year so we want to take precautions moving forward. Please advise our next steps in making this happen.

Thank you so much!
