Assistant Commissioner of Public Works/City Engineer

Re: Amendment No. 1 to Three-Party Design Engineering Services Agreement for Durand Ave. (STH 11) from Kearney Ave. to Kentucky St., State Project ID: 2260-07-70

We have received Amendment No. 1 to the Three-Party Design Engineering Services Agreement for Durand Ave. (STH 11) from Kearney Ave. to Kentucky St., State Project ID: 2260-07-70. The amendment is needed to add Hazardous Material/Contamination Assessment for an additional 19 sites, add preparation of five alternatives for the Triangle area (area bounded by Durand Avenue, West Boulevard, and Taylor Avenue), add review of 135 additional title reports, and add preparation of transportation project plat (TPP) drawings.

Amendment No. 1 is in the not-to-exceed amount of \$31,968.77 (20% City share is \$6,393.75, 80% State share is \$25,575.02), which brings the total of the project cost to \$1,165,014.08 (20% City share is \$233,002.81, 80% State share is \$932,011.27). Funding is available in Account 993.908.6170, Durand – Kentucky to Kearney.

The Three-Party Design Services Agreement was approved under Resolution 11-2648, of July 5, 2011 in the amount of \$1,133,045.31.

If the Committee agrees, the appropriate account would be to approve Amendment No. 1 and authorize the Mayor and City Clerk to enter into the agreement.
