From: John Rooney *JWR*
Assistant Commissioner of Public Works/City Engineer

Re: Three-Party Agreement with the City of Racine, WisDOT and Graef-USA, Inc. for Engineering Services for State Project ID: 2703-00-04, 16th Street – Racine Street (STH 32) to Main Street

We are submitting a three-party agreement between the City of Racine, WisDOT and Graef-USA, Inc. for the design engineering services for the above project. This agreement is for the development of roadway improvement plans for 16th Street from Racine Street (STH 32) to Main Street. Improvements include the complete reconstruction of the roadway, replacement of some sidewalk, street lighting, minor modifications to the signal at Racine Street, streetscaping, pavement marking, roadway signing and the reconstruction of storm sewer in the project corridor.

This agreement is in the not-to-exceed amount of \$253,417.37 with the City's share being \$50,583.47 (20%) and the State's share being \$202,733.90 (80%). Funding for the City's share is available in Org-Object 45040-57500, Concrete-16th, Main to Racine STP-U.

If the Committee agrees, appropriate action would be to approve and authorize the Mayor and City Clerk to enter into the three-party agreement.
