Subject Request for removal of "no parking anytime" sign at Linderman & West Boulevard

Dear Mayor Dickert:

Due to a new Church facility and its activities, Christ Baptist Church needs additional parking space for partners and visitors.

The most expeditious solution to our problem would be the removal of the current "no parking anytime" sign which is located on the southside of Linderman Avenue.

If you could direct this request to the proper committee, it would be greatly appreciated.

Thank you for your consideration.

Yours very truly,

Pastor Daryn D. Crenshaw
