Subject: *Live Towerview Plan*

During 2008, Neighborhood Housing Services of Southeast Wisconsin used funds provided through the Community Development Block Grant Program to prepare a plan for the Towerview neighborhood. Towerview is the part of the City of Racine bounded by Ninth Street on the north, the city limits on the south, Lake Michigan on the east and Racine Street on the west.

Neighborhood Housing Services has requested that the City of Racine formally adopt the *Live Towerview: Building a Neighborhood of Choice* plan as part of the city's comprehensive plan. The City Plan Commission will consider that request at the meeting that is scheduled for **Wednesday, December 10, 2008, at 4:30 p.m. or soon after, in Room 205, City Hall, 730 Washington Avenue, Racine.** Staff from Neighborhood Housing Services will present a briefing on the plan. There will be a public comment period following the presentation during which your views on the plan may be expressed.

To view a copy of the *Live Towerview* plan, go to the City of Racine web site, www.cityofracine.org. Click on Departments on the bar on the top of the page, then click on City Development, and then click on Current City Development Projects. Then click on the *Live Towerview Plan*.
