The Honorable Gary Becker and
Members of the City Council
730 Washington Avenue
Racine, WI 53403

Dear Mayor Becker and Members of the Council:

I am requesting that I be placed on the agenda of the next meeting of the City of Racine Public Works and Services Commission for the purpose of requesting a building variance for signage, gooseneck lamps and awnings for 914 Marquette Street. This building is owned by Sam Azarian, Jr. and Steve Tajnai. I will represent the owners at this meeting and will present design drawings of the proposed exterior improvements. These drawings were approved by the Access Corridor Design Review Committee on February 28, 2008.

The owners agree to sign a Hold Harmless Agreement with the City if this request is approved by the Commission. Permission for a temporary storefront enclosure will also be requested.

Sincerely,

Robert R. Hartmann
President
