

# Grant Control Number Request

**Today's Date:** 07/24/2020

**Requestor:** Dottie-Kay Bowersox

**Action Requested:** Permission to Apply and Accept

**Funding Agency:** U.S. Fish and Wildlife Service

**Type of Agency:** Federal

**Project Duration:** September 1, 2020 – December 31, 2021

**Amount:** \$149,800

**Required City Match:** \$21,600 – In-Kind

**Grant Title:** Samuel Myers Park Restoration: Re-establishment of Resilient/Accessible Coastal Wetland/Dune Habitat in an Urban Primary Environmental Corridor

**Grant Funds Will Be Used For** (Brief Description): These funds would be used to cover damages to Sam Myers Park that would not be eligible under FEMA, as well as provide mitigation to make the site more resilient to future storms. If federal to federal match is allowed by FEMA, these funds could also be considered the 12.5% match that will be required by the city.

**GRANT NUMBER ASSIGNED:**
