Re: "Class B" fermented malt beverages and intoxicating liquor license

Dear Ms. Lacy,

The Public Safety and Licensing Committee has voted to recommend the Denial of your new application for a "Class B" Retail Fermented Malt Beverage and Intoxicating Liquor License. Reasons for the denial include but are not limited to: 1) Concerns pertaining lack of parking; 2) Concerns pertaining to public safety; 3) Concerns regarding the appropriateness of the location; and 3) Concerns associated with a potential strawman application. The matter will now go before the Common Council on October 15, 2024, for its final decision. Should you wish to appeal the committee's recommendation, you may submit written arguments to the Council in favor of granting the license and/or evidence rebutting evidence as to why the license should be denied. You must submit any such written arguments to the City Clerk's Office by 4:30 p.m. on October 14, 2024.

If you have any further questions, contact the City Clerk's Office at 636-9171.

Sincerely,

Amber Pfeiffer  
Assistant City Clerk
