**RE:** Reimbursement Agreement between the City of Racine and WE Energies – Sanitary  
Sewer Relay Project at 233 Lake Avenue

Attached is a reimbursement agreement between the City of Racine and WE Energies. The purpose of this reimbursement agreement is to fund the City of Racine's Professional Service Agreement with AECOM for the investigation of sewer abandonment, sewer rerouting alternatives, design and construction administrative services in conjunction with the improvement of WE Energies Project located at 233 lake Avenue.

The amount of this reimbursement from WE Energies to the City of Racine is estimated in the not-to-exceed amount of \$29,990.00.

If the Committee agrees, the appropriate action would be to have the Mayor and City Clerk enter into the agreement.
