To Whom It May Concern:

We, at The Prairie School, again wish to recognize the accomplishments of our state champion student athletes. We would like your committee to approve this request to display signage on the city's main entryways. After communicating with Mr. Thomas Eeg of the department of public works, the following is our understanding of the process to request this signage.

The Prairie School is responsible for the costs, estimated to be \$2,250.00, incurred during the manufacturing and installation of five signs. A single-sided sign will be placed on Douglas Avenue, and double-sided signs will be placed on Highway 20 and Northwestern Avenue. The signs will be displayed for a minimum of one year from the date of installation, with the school receiving the signs upon removal.

Michael's Signs will handle the layout and production of the signs. We have included a sample design, per Michael's Signs, for your review. The city of Racine will handle the installation.

We are proud of our student athletes and invite the city residents to celebrate their successes with us. Thank you for your consideration of our request.

Sincerely,

Molly Lofquist Johnson
