

Ordinance 0028-19 – Fee Structure

An ordinance to amend Chapters 2, 6, 10, 18, 22, 30, 38, 42, 46, 50, 70, 82, 86, 90, 94, 98, and 114 of the Municipal Code of the City of Racine, Wisconsin.

The Common Council of the City of Racine, Wisconsin, do ordain as follows:

Part 1: Chapter 2, Article V, Section 2-468 shall be amended to state as follows:

The assessor shall impose and collect fees as set forth in the fee schedule as established from time to time by the common council for the following services:

- (1) AssessPro building data extract file;
- (2) AssessPro real estate extract file;
- (3) AssessPro printed record card;
- (4) Assessor's field card;
- (5) Assessor's plat map;
- (6) Fax request for parcel data (per parcel); and
- (7) All other documents (per page fee).

Part 2: Chapter 2, Article X, Section 2-531(d) shall be amended to state as follows:

(d) The commissioner of public works shall impose and collect fees as set forth in the fee schedule as established from time to time by the common council for the following services:

- (1) Street closing permit;
- (2) Banner permit;
- (3) Special event permit, fee per block;
- (4) News box fee;
- (5) Sidewalk construction permit; and
- (6) Permit fee and grass clipping disposal fee.

Part 3: Chapter 2, Article X, Section 2-654(f) shall be amended to state as follows:

(f) A requester shall be charged a fee to defray the cost of locating and copying records, as follows:

(1) The cost of photocopying shall be set forth in the fee schedule as established by the common council. Such cost has been calculated not to exceed the actual, necessary and direct cost of reproduction.

(2) If the form of a written record does not permit copying, the actual and necessary cost of photographing and photographic processing shall be charged.

(3) The actual full cost of providing a copy of other records not in printed form on paper, such as films, computer printouts and audio or video tapes, shall be charged.

(4) If mailing or shipping is necessary, the actual cost thereof shall also be charged.

(5) There shall be no charge for locating a record unless the actual cost therefor exceeds the amount established by Wis. Stats. § 19.35(3)(c), in which case the actual cost calculated on hourly wage, including fringe benefits, shall be determined by the legal custodian and billed to the requester.

(6) The legal custodian shall estimate the cost of all applicable fees and may require a cash deposit adequate to assure payment, if such estimate exceeds the amount established by Wis. Stats. § 19.35(3)(f).

(7) Elected and appointed officials of the city shall not be required to pay for public records they may reasonably require for the proper performance of their official duties.

(8) The legal custodian may provide copies of a record without charge or at a reduced charge where he determines that waiver or reduction of the fee is in the public interest.

Part 4: Chapter 6, Article II, Section 6-20(a) shall be amended to state as follows:

(a) Fermented malt beverages.

1. A Class "A" fermented malt beverage license shall authorize the retail sale of fermented malt beverages for consumption away from or off the premises where sold and in the original packages, containers and bottles. The fee for a retail Class "A" license shall be set forth in the fee schedule as established by the common council per year or fraction thereof.

2. A Class "B" fermented malt beverage license shall authorize the retail sale of fermented malt beverages to be consumed either on the premises where sold or

off the premises, provided that only fermented malt beverages in original packages or containers and fermented malt beverages in hand-capped or sealed containers may be removed from the premises where sold. The fee for a retail Class "B" license shall be set forth in the fee schedule as established by the common council per year or fraction thereof.

(b) Intoxicating liquor licenses.

1. A "Class A" intoxicating liquor license shall authorize the retail sale of intoxicating liquors for consumption off the premises where sold and in original packages and containers. The fee for a retail "Class A" liquor license shall be set forth in the fee schedule as established by the common council per year or fraction thereof.

2. A "Class B" intoxicating liquor license shall authorize the retail sale of intoxicating liquors to be consumed only by the glass on the premises where sold, and in the original unopened package or container in quantities not to exceed one gallon, at any one time, to be consumed off the licensed premises, and except that wine may be sold in the original package or container in any quantity to be consumed off the premises. The fee for a retail "Class B" liquor license shall be set forth in the fee schedule as established by the common council per year or fraction thereof.

3. A "Class C" wine license shall authorize the retail sale of wine by the glass or in an opened original container for consumption on the premises where sold. A "Class C" license may be issued to a person qualified under Wis. Stats. § 125.04(5) for a restaurant in which the sale of alcohol beverages accounts for less than 50 percent of gross receipts and which does not have a barroom or for a restaurant in which the sale of alcohol beverages accounts for less than 50 percent of gross receipts and which has a barroom in which wine is the only intoxicating liquor sold. The fee for a retail "Class C" wine license shall be set forth in the fee schedule as established by the common council per year or fraction thereof.

4. A "Class B" club intoxicating liquor license may be granted only to bona fide clubs and lodges situated and incorporated or chartered in the state for at least six months and situated in the city for at least six months immediately preceding the date of filing of the application for such license. Such license comes with all the privileges and restrictions of a retail "Class B" intoxicating liquor license, except that sales of intoxicating liquor shall be made to bona fide members or guests of members of the club holding the license only. The holder of such permit may sell intoxicating liquor for consumption by the glass and not in the original package or container on the premises covered by the permit. The fee for a "Class B" club intoxicating liquor license shall be set forth in the fee schedule as established by the common council per year or fraction thereof per year or fraction thereof.

(c) Temporary Class "B" and "Class B" licenses.

1. A temporary Class "B" license may be issued to bona fide clubs and chambers of commerce, to county or local fair associations or agricultural societies, to churches, lodges or societies that have been in existence for at least six months prior to the date of application, and to posts of veterans organizations authorizing the retail sale of fermented malt beverages at a particular picnic or similar gathering, or at a meeting of any such post, or during a fair conducted by such fair association or agricultural society. The license shall designate the specific premises and the date or dates for which granted, not to exceed four continuous days for any one event. The fee for a temporary Class "B" license shall be set forth in the fee schedule as established by the common council.

2. A temporary "Class B" license may be issued to bona fide clubs and chambers of commerce, to county or local fair associations or agricultural societies, to churches, lodges or societies that have been in existence for at least six months prior to the date of application, and to posts of veterans organizations authorizing the retail sale of wine in an original package, container, or bottle or by the glass if the wine is dispensed directly from an original package, container or bottle at a particular picnic or similar gathering, at a meeting of the post, or during a fair conducted by the fair association or agricultural society. The license shall designate the specific premises and the date or dates for which granted, not to exceed two for any one entity in any 12-month period except as otherwise permitted under Wis. Stats. § 125.51(10)(b). The fee for a temporary "Class B" license shall be set forth in the fee schedule as established by the common council.

3. If the applicant meets all requirements for holding such license, a temporary license shall be issued by the city clerk upon application at least two business days prior to the event. Any person denied a license by the city clerk for failing to meet the requirements of ch. 125 or other provisions of the ordinance may appeal to the common council using the procedures under section 6-21(g) of this Code.

(d) Provisional retail licenses. A provisional retail license may be issued by the city clerk to a person who has applied for a Class "A," Class "B," "Class A," "Class B," or "Class C" license authorizing only the activities that the type of retail license applied for authorizes, provided that the applicant meets all the requirements for receiving such license and whose retail license application has been approved by the common council, and upon proof that the applicant has enrolled in responsible beverage server training course. The fee for a provisional retail license shall be set forth in the fee schedule as established by the common council and the license shall expire 60 days after its issuance or when the Class "A" or Class "B" license is issued to the holder, whichever is sooner. A provisional license may be revoked by the city clerk if he or she discovers that the holder of the license made a false statement on the application.

Part 5: Chapter 6, Article II, Section 6-22(e) shall be amended to state as follows:

(e) Background check. The city clerk shall forward the names of all applicants to the chief of police, who shall cause an investigation to be made and report the findings of any arrest and conviction record. The city clerk shall forward such findings to the committee only if there is something in the record check that would warrant further review. A non-refundable fee as set forth in the fee schedule as established by the common council may be charged to the applicant for the cost associated with the background check.

Part 6: Chapter 6, Article II, Section 6-24(a) shall be amended to state as follows:

(a) Renewal of license.

(1) An application for renewal of an alcohol beverage license under this chapter must be filed with the city clerk no later than April 15 of every year or in the case of operator's licenses, every other year. The common council shall meet to act on each application which has been timely filed with the city clerk no later than June 15 of such year.

(2) Applicants who submit a renewal application after the application deadline shall pay a late fee as set forth in the fee schedule as established by the common council per license and may request a special meeting of the committee and common council to avoid a lapse in the licensing period.

a. The common council may hold a special meeting, when requested due to late application, between June 15 and June 30 to consider and act upon any application for an alcohol beverage license under this section, provided that such application was filed with the city clerk at least 20 days prior to its expiration date.

b. In addition to any other late fee prescribed in this section, in order to defray administrative expenses, a late fee as set forth in the fee schedule as established by the common council shall accompany any application for which consideration at a special meeting is requested, which fee shall be nonrefundable.

Part 7: Chapter 6, Article IV, Section 6-132 shall be amended to state as follows:

Operator's license. An operator's license shall authorize the holder to serve or purvey those alcohol beverages for which sale is authorized at the premises where the operator is employed. The licenses shall expire on the second June 30 following issuance. The fee for an operator's license shall be as set forth in the fee schedule as established by the common council.

Part 8: Chapter 6, Article V, Section 6-163 shall be amended to state as follows:

(a) *Nonintoxicating beverage license.* A nonintoxicating beverage license shall authorize the manufacture, sale and distribution of nonintoxicating beverages. The license fee shall

be as set forth in the fee schedule as established by the common council. The license shall expire on June 30 of the license year.

(b) Application fee. If an application for renewal of a nonintoxicating beverage license is filed with the city clerk later than June 20, the applicant shall pay a late fee set forth in the fee schedule as established by the common council.

Part 9: Chapter 10, Article I, Section 10-6(j) shall be amended to state as follows:

(j) *Fee*. The fee for an annual permit to keep up to four hens shall be as set forth in the fee schedule as established by the common council. This is an annual fee which cannot be prorated. This includes an on-site inspection by the City of Racine Health Environmental Division. Only one license may be issued to each parcel number. Permits must be renewed prior to January 1 and expire December 31 of each year. Late fees will apply after January 31 of each year.

Part 10: Chapter 10, Article II, Section 10-36 shall be amended to state as follows:

(b) The dog or cat license fee shall be as set forth in the fee schedule as established by the common council. License fees are waived for service animals and animals owned by law enforcement agencies.

Part 11: Chapter 10, Article II, Section 10-37(b) shall be amended to state as follows:

(b) The potbellied pig license fee shall be as set forth in the fee schedule as established by the common council for each potbellied pig.

Part 12: Chapter 10, Article II, Section 10-39 shall be amended to state as follows:

The city health department shall, in addition to the license fee provided for in this article, assess and collect a late fee as set forth in the fee schedule as established by the common council for every application for a license for a dog, cat, ferret or potbellied pig five months of age or over if the owner fails to obtain a license prior to April 1 of each year, or within 30 days of acquiring ownership of a licensable animal, whichever is later.

Part 13: Chapter 10, Article II, Section 10-40(f)(2) shall be amended to state as follows:

(2) Pays a nonrefundable application permit fee as set forth in the fee schedule as established by the common council.

Part 14: Chapter 10, Article II, Section 10-42 shall be amended to state as follows:

The keeping of animals otherwise prohibited by this chapter may be permitted by applying for a special permit from the health officer. Two types of such permits are available.

(1) Exhibition, entertainment or demonstration permits. Such permits may be issued to permit circus performances, living nativity, pony rides, parades or other exhibitions or entertainment events. A fee as set forth in the fee schedule as established by the common council shall be paid to the city for the issuance of such permit.

(2) Individual ownership permit.

a. Such permits may be issued to applicants demonstrating knowledge of proper care and confinement of said animal.

b. Special permits are issued at the discretion of the health officer or designee. Special permits shall not be issued for venomous reptiles. Special permits are issued subject to an inspection by the health officer or designee for the purpose of determining the premises and caging/enclosure for such animal are safe and secure for the animal as well as for the general public.

c. Applicants shall provide the environmental health division with copies of any required applicable state or federal permits.

d. A nonrefundable inspection fee set forth in the fee schedule as established by the common council must accompany all applications. Permit fee per animal shall be as set forth in the fee schedule as established by the common council.

e. Permits and inspection fees are valid from the date of issuance and expire on December 31 of the same year.

f. Permits are only valid for the animal specifically listed on the application and are not transferable to another animal or another person.

g. Permit owners shall notify the health department of change of address or location for the animal.

h. An owner of a restricted animal upon the effective date of this chapter will not be found in violation of the chapter as long as the owner applies for a special permit within 60 days after such date. Except in such cases, all permits must be received before the applicant may bring the animal into the city. In the case of snakes, the application must be submitted before the snake reaches ten feet in length, but not before the applicant's acquisition of the snake.

i. All applicants must be at least 18 years of age.

j. Applications may be denied because of, but not limited to, the following.

1. Providing false information on the application.
2. The enclosure for the animal is found to be unsafe for the animal and/or people.
3. The applicant has previously been found in violation of other provisions of this chapter.

The owner or custodian of the animal shall pay all expenses incurred in case of escape of the animal.

Part 15: Chapter 10, Article IV, Section 10-104(c) shall be amended to state as follows:

(2) Registration. The owner or caretaker of any dangerous animal shall register it with the City of Racine Police Department within 30 days of the order, and thereafter before January 1 of each year, by providing a current color photograph of the animal and payment of a registration fee shall be as set forth in the fee schedule as established by the common council. Upon payment of the fee and satisfactory proof of compliance with the provisions and conditions of this chapter, the owner shall be issued a dangerous animal certificate of registration. A fee shall be as set forth in the fee schedule as established by the common council shall be charged for the costs incurred by the city for the inspection or reinspection of the property. The owner or caretaker shall post the certificate of registration on the front door of the residence where the dangerous animal is being kept.

Part 16: Chapter 10, Article IV, Section 10-104 shall be amended to state as follows:

(c)(2) Registration. The owner or caretaker of any dangerous animal shall register it with the City of Racine Police Department within 30 days of the order, and thereafter before January 1 of each year, by providing a current color photograph of the animal and payment of a registration fee as set forth in the fee schedule as established by the common council. Upon payment of the fee and satisfactory proof of compliance with the provisions and conditions of this chapter, the owner shall be issued a dangerous animal certificate of registration. A fee as set forth in the fee schedule as established by the common council shall be charged for the costs incurred by the city for the inspection or reinspection of the property. The owner or caretaker shall post the certificate of registration on the front door of the residence where the dangerous animal is being kept. The owner or caretaker of any dangerous animal shall also provide proof of current license and rabies certificate as required under sections 10-36, 10-38, and 10-39 respectively at the time of registration and each year thereafter.

(e)(1) Whenever an owner or caretaker wishes to contest an order declaring an animal dangerous under subsection (b) or prohibited dangerous under subsection

(d), he or she shall, within five business days after receipt of the order, deliver to the department that issued the order a written objection to the order, addressed to the administrative reviewer, stating specific reasons for contesting the order. A fee as set forth in the fee schedule as established by the common council must accompany the request. The administrative reviewer will be appointed by the Mayor of the City of Racine. Upon receipt of the written objection for administrative review, the appeal will be reviewed within five business days. The administrative reviewer acts as a quasi-judicial body allowing the animal's owner or caretaker an opportunity to present evidence as to why the animal should not be declared dangerous or prohibited dangerous. The city elects not to be bound by Wis. Stats. ch. 68 with respect to administrative procedure in this regard.

Part 17: Chapter 18, Article IV, Section 18-4 shall be amended to state as follows:

Where orders have been issued to correct violations under this chapter and additional inspections are made necessary by reason of the person's failure to make timely repairs as specified in the notice provided, a reinspection fee as determined by the budget and stated on the applicable fee schedule as established by the common council shall apply for each reinspection.

Part 18: Chapter 18, Article II Section 18-43(e) shall be amended to state as follows:

(e) Fees.

(1) Each permit under this section shall be issued for a period not to exceed four months. The permit fee for the temporary blocking of any sidewalk, street or alley and for a temporary enclosure or canopy is ~~\$30.00~~ set forth in the fee schedule as established by the common council per month or fraction thereof.

(2) The permit fee for use of any street, alley or other public space for the purpose of depositing material thereon is as set forth in the fee schedule as established by the common council per month or fraction thereof. The permit fee for the use of both street and sidewalk is set forth on the fee schedule per month or fraction thereof.

Part 19: Chapter 18, Article II Section 18-95 shall be repealed and recreated to state as follows:

The schedule for permit fees, plan review fees, and other fees shall be set forth in the fee schedule as established by the common council.

Part 20: Chapter 18, Article II, Section 18-477(b) shall be amended to state as follows:

The chief building inspector may make courtesy inspections of existing commercial buildings, as requested by the building owner or any other interested party with the consent of the property owner, to ascertain if the building structures or equipment would require alterations, modifications, additions, repairs or other updates before the building,

or space within the building, could be legally occupied for a particular type of use. This program is not designed to identify every potential code violation and does not guarantee to the applicant the required permits from the various departments. The chief building inspector shall charge a fee for this inspection as provided in the fee schedule as established by the common council.

Part 21: Chapter 18, Article III, Section 18-477(b) shall be amended to state as follows:

No new application for a permit under this article will be accepted from an applicant who has failed to pay all fees and additional fees for previous permits, nor shall any further inspection be made until such fees have been fully paid. The fees for plumbing permits and inspections are determined by the budget process as set forth in the fee schedule as established by the common council and are as stated on the permit application.

Part 22: Chapter 18, Article III, Section 18-502 shall be amended to state as follows:

(a) Where repairs have been ordered by the chief plumbing inspector and additional inspections are made necessary by reason of the person's failure to make timely repairs as specified in the notice provided, an additional inspection fee as determined by the budget as set forth in the fee schedule as established by the common council and stated on the permit application shall apply for each reinspection.

(b) If at the time of the final inspection pursuant to section 18-501 the chief plumbing inspector finds the work to be insufficient or defective, or is unable to gain entry or access to the plumbing installation due to any reason, including locked doors, improper or lack of ladders, refused entry, etc., an inspection fee as determined by the budget as set forth in the fee schedule as established by the common council and stated on the permit application shall apply for each additional inspection and must be paid before another inspection can be made. An exception may be made by the chief plumbing inspector if the inability to gain entry was due to circumstances beyond control of the permittee.

Part 23: Chapter 18, Article III, Section 18-611(a) shall be amended to state as follows:

(a) Permit penalty. Any person violating this article by starting electrical work without a permit shall be required to pay a fee as set forth in the fee schedule as established by the common council, in addition to any penalties applicable per sections 1-15 and 1-18 of the Code.

Part 24: Chapter 18, Article IV, Section 18-643 shall be amended to state as follows:

The fees for permits and inspections shall be paid to the city treasurer and credited to the general city fund, as determined by the common council and stated on the fee schedule.

Part 25: Chapter 18, Article IV, Section 18-650 shall be amended to state as follows:

- (a) Where repairs have been ordered by the chief electrical inspector and additional inspections are made necessary by reason of the person's failure to make timely repairs as specified in the notice provided, an additional inspection fee as determined by the budget and stated on the applicable fee schedule as established by the common council shall apply for each reinspection.
- (b) If at the time of the final inspection pursuant to section 18-649, the chief electrical inspector finds the work to be insufficient or defective, or is unable to gain entry or access to the electrical installation due to any reason, including locked doors, improper or lack of ladders, refused entry, etc., an inspection fee as determined by the budget and stated on the applicable fee schedule as established by the common council shall apply for each additional inspection and must be paid before another inspection can be made. An exception may be made by the chief electrical inspector if the inability to gain entry was due to circumstances beyond control of the permittee.

Part 26: Chapter 18, Article VI, Sections 18-749(a) and (b) shall be amended to state as follows:

- (a) No private swimming pool which is intended to be left filled for a period of 48 hours or longer, and which is installed after the effective date of the ordinance from which this article was derived shall be used, constructed, established or operated unless a permit to do so is first obtained from the chief building inspector. A fee as set forth in the fee schedule as established by the common council shall be paid to the city for such building permit.
- (b) If any pool existing prior to the effective date of the ordinance from which this article was derived is replaced by a pool larger in size, a permit must be obtained before the pool is used, constructed, established or operated. A fee as set forth in the fee schedule as established by the common council shall be paid to the city for such permit.

Part 27: Chapter 18, Article VIII, Section 18-813(a)(5) shall be amended to state as follows:

- (5) Upon receiving the above notice, the director of parks, recreation and cultural services shall name an inspector whose duty it shall be to supervise the moving of the building. The person receiving the permit shall pay a fee set forth in the fee schedule as established by the common council for time actually spent by the inspector on the job. The fee shall include the expense of such inspector and also for all labor involved in the trimming of trees or removal of trees along the route as provided in this section.

Part 28: Chapter 22, Article III, Section 22-84 shall be amended to state as follows:

A license fee set forth in the fee schedule as established by the common council shall be submitted with the application for a license under this article. Such fee shall authorize up to 20 viewing booths, rooms or cubicles as described in section 22-68. An additional fee as set forth in the fee schedule as established by the common council per

viewing booth, room or cubicle shall be paid for those in excess of 20. If the application is denied, one-half the fee shall be retained as a processing fee and the balance shall be returned to the applicant. No fee shall be prorated except upon such denial. The licensee shall not be subject to fees under section 22-156 et seq., but shall notify the city clerk of any change in the number of viewing booths, rooms or cubicles present in the establishment within ten days of such change and make payment for any increase thereof exceeding 20 viewing booths, rooms or cubicles in all.

Part 29: Chapter 22, Article III, Section 22-86 shall be amended to state as follows:

All licenses issued under this article shall expire on March 31 of each year. A new application shall be made each year and renewal applications must be filed not later than January 31. A renewal application shall contain the same information and data as is required for an application for a new license. A late processing fee set forth in the fee schedule as established by the common council shall be paid with any renewal application which is made following January 31 of any year. If the application is denied, no portion of the late processing fee shall be refunded. The health department shall periodically inspect the premises licensed or to be licensed under this article to determine whether conditions of the viewing booths, rooms and cubicles are being maintained in a sanitary condition. No license shall be issued or renewed without such approval by the health department.

Part 30: Chapter 22, Article IV, Section 22-129 shall be amended to state as follows:

(a) *Annual fee*. The annual permit fee for each pet shop shall be set forth in the fee schedule as established by the common council.

(b) *Exception to fee*. No permit fee may be required of any animal shelter or government-operated zoological park.

(c) *Late fee*. Application for a renewal license made after November 30 for the following calendar year shall be assessed a late fee as set forth in the fee schedule as established by the common council.

(d) *Change in ownership*. If there is a change in ownership of a pet shop, the new owner may have the current permit transferred to his name upon payment of a transfer fee as set forth in the fee schedule as established by the common council.

Part 31: Chapter 22, Article V, Section 22-173 shall be amended to state as follows:

Upon application for any license issued under this division, the applicant shall pay to the city the fee set forth in the fee schedule as established by the common council for:

- (1) For each amusement center license;
- (2) For each coin-operated amusement device license;

(3) An amusement center license to be issued for any period between January 1 and June 30 and for each amusement device licensed thereunder.

Part 32: Chapter 22, Article VI, Section 22-217(a) shall be amended to state as follows:

(a) All permits issued under this article shall expire on June 30 of each year. Fees for permits shall be set forth in the fee schedule as established by common council.

Part 33: Chapter 22, Article VII, Section 22-243 shall be amended to state as follows:

The fee for a bowling alley license shall be set forth in the fee schedule as established by the common council for each alley.

Part 34: Chapter 22, Article VIII, Section 22-269 shall be amended to state as follows:

The fee for a license issued under this article shall be per day for each device or exhibit operated thereunder and with a maximum fee for the event and shall be set forth in the fee schedule as established by the common council.

Part 35: Chapter 22, Article IX, Section 22-294 shall be amended to state as follows:

The fee for a license under this article shall be set forth in the fee schedule as established by the common council. Where the premises to be licensed under this article which is also licensed with either a "Class B" retail fermented malt beverages and intoxicating liquor license, or a "Class B" retail fermented malt beverages license, a specific license fee set forth in the fee schedule as established by the common council shall apply. If the application for a renewal license is received in the city clerk's office after June 20 of any year, the applicant shall pay a late fee set forth in the fee schedule as established by the common council per license location.

Part 36: Chapter 22, Article XI, Section 22-348(b) shall be amended to state as follows:

(b) The annual fee for a dancehall license shall be set forth in the fee schedule as established by the common council.

Part 37: Chapter 22, Article XI, Section 22-352 shall be amended to state as follows:

No person shall hold a public dance within the city without a permit therefor. Application for such permit must be made upon prescribed forms to the city clerk at least five days before the dance by a person holding a license to conduct a public dancehall. Such permits shall not be required for dances conducted exclusively by the licensee. The fee for such permit shall be set forth in the fee schedule as established by the common council for each public dance.

Part 38: Chapter 22, Article XII, Section 22-385 shall be amended to state as follows:

Any employer who employs a person certified as a supervising electrician under section 22-382 may apply for annual registration under this article. Such registration shall authorize the installation, alteration and maintenance of electrical equipment in or on the industrial, institutional or governmental buildings and premises of such employer, subject to the permit requirements of this article. Application for such registration shall be made in writing to the chief electrical inspector and shall contain a description of the premises on which work is to be done and other information requested by the chief electrical inspector. The annual registration fee shall be set forth in the fee schedule as established by the common council and each such registration shall expire on December 31.

Part 39: Chapter 22, Article XII, Section 22-386(a) shall be amended to state as follows:

(a) The initial fee for an electrical contractor's license shall be set forth in the fee schedule as established by the common council for the person engaging in the contracting business or for installing, or for the construction or alteration of, any electrical wiring, fixtures or apparatus, which license shall be for one year. For each yearly renewal of such license, a renewal fee set forth in the fee schedule shall be paid, except that for all retired electrical contractors who have reached the age of 65, a specific renewal fee set forth in the fee schedule will apply. All such licenses shall expire on December 31 of each year unless sooner revoked. Contractors failing to renew their licenses in the month of January shall become subject to the requirements of this article and shall be eligible for an electrical contractor's license upon obtaining a state master electrician's certification.

Part 40: Chapter 22, Article XIII, Section 22-414 shall be amended to delete the definition for “Master fee schedule” and add the following definition after the definition for “Duplicate permit fee”:

Fee schedule means the most current schedule of fees established by the common council.

Part 41: Chapter 22, Article XIII, Section 22-414 shall be amended to delete and recreate the definition for “Re-inspection fee” to state as follows:

Re-inspection fee means a fee for the subsequent inspections needed to address compliance issues that govern an establishment. Re-inspections are conducted due to one or more of the following: Uncorrected critical violation, more than ten total violations, repeat violations from previous inspections, major non-critical violations, or when a complaint investigation identifies unsatisfactory conditions. The fee for a re-inspection will be set forth in the fee schedule as established by the common council.

Part 42: Chapter 22, Article XIII, Section 22-419 shall be amended to state as follows:

Fees for permits required by this article shall be as provided through the fee schedule as established by the common council.

Part 43: Chapter 22, Article XVI, Section 22-502(a) shall be amended to state as follows:

Application for a gun range license shall be submitted to the common council for approval. Licenses shall expire on June 30 of the fourth year after issuance. Licenses issued after September 1 of any year shall carry a prorated fee for the balance of the unexpired portion of the license term. The license fee shall be set forth in the fee schedule as established by the common council and valid for four years, except that no fee shall be required for military, law enforcement or educational institutions. A license issued under this article may be issued only to persons who do not have a felony conviction record, subject to Wis. Stats. §§ 111.321, 111.322 and 111.325, who are residents of this state, who are 18 years of age or older, and who can demonstrate knowledge of firearm safety. Firearm safety knowledge can be demonstrated by a state department of natural resources' safe hunters' instructor's certificate, or similar certificate.

Part 44: Chapter 22, Article XVI, Section 22-505 shall be amended to state as follows:

There shall be present upon the gun range at all times during its use for shooting a range supervisor who has been issued a range supervisor license. Such person shall be responsible for the safe operation of the gun range. Application for a range supervisor license shall be made to the city clerk and shall be granted or denied by the public safety and licensing committee of the common council. The fee for such range supervisor license shall be set forth in the fee schedule as established by the common council for four years or any portion thereof, except that no fee shall be required for range supervisors of military, law enforcement or educational institutions. Range supervisor licenses shall expire on June 30 of the fourth year. A range supervisor license may be issued only to persons who do not have a felony conviction record, subject to Wis. Stats. §§ 111.321, 111.322 and 111.325, who are residents of this state, and who are 18 years of age or older. A prerequisite for obtaining a range supervisor license shall be certification by the National Rifle Association as an instructor for the type of gun in use at the gun range. This section shall not apply to the training of military or law enforcement personnel by their own instructors.

Part 45: Chapter 22, Article XVII, Section 22-533, first paragraph shall be amended to state as follows:

The annual* fees for hawkers and peddlers' licenses shall be as set forth in the fee schedule as established by the common council for the following:

Part 46: Chapter 22, Article XVII, Section 22-534 shall be amended to state as follows:

No street vendor shall conduct any business as provided for in this article without displaying on his person in a prominent place an identification badge issued by the city

to the licensee and employees thereof. Application for such badge shall be made by the licensee for him or herself and for any of his or her employees. The badge shall contain the photograph of the person to be performing business under the license, the person's name and address, the type of license issued, the date of issuance, and the date of expiration. The fee for each such badge shall be set forth in the fee schedule as established by the common council.

Part 47: Chapter 22, Article XVIII, Section 22-577 shall be amended to state as follows:

All permits issued under this article shall expire on June 30 of each year. Fees for such permits shall be set forth in the fee schedule as established by the common council.

Part 48: Chapter 22, Article XIX, Section 22-619(a) shall be amended to state as follows:

(a) The annual license fee for the privilege of operating or maintaining for operation each jukebox shall be set forth in the fee schedule as established by the common council per machine for the license year from July 1 to June 30. When such license is issued at any time between January 1 and June 30, the fee shall be set forth in the fee schedule per machine for the balance of the license year.

Part 49: Chapter 22, Article XX, Section 22-658 shall be amended to state as follows:

License fees under this article are set forth in the fee schedule as established by the common council.

Part 50: Chapter 22, Article XXI, Section 22-658(a)(2) shall be amended to state as follows:

(2) All permits issued under this article shall expire on July 31 of each year. Fees for permits shall be set forth in the fee schedule as established by the common council.

Part 51: Chapter 22, Article XXI, Section 22-658(b)(2) shall be amended to state as follows:

(2) The health officer shall inspect the roominghouse once per year. A written report based upon the requirements of this section shall be submitted. Failure by the operator or owner to appear on the scheduled time and day for the inspection without offering 24 hours notice to the health department may result in a re-inspection fee set forth in the fee schedule as established by the common council issued to the operator of the roominghouse.

Part 52: Chapter 22, Article XXII, Section 22-783 shall be amended to state as follows:

All applications for a massage establishment permit shall be accompanied by an investigation fee set forth in the fee schedule as established by the common council, no part of which shall be refundable. Upon receipt of such application, the city clerk shall refer the application to the building department, fire department, police department, department of city development and the board of health, each of which within a period of 30 days from the date of application shall review records or make an inspection of the premises proposed to be used as a massage establishment and shall make a written

recommendation to the common council concerning compliance with the respective requirements.

Part 53: Chapter 22, Article XXII, Section 22-785 shall be amended to state as follows:

No massage establishment permit shall be transferable to another location except with the written approval of the common council. An application for such a transfer shall be in writing and shall be accompanied by a filing and investigation fee as set forth in the fee schedule and established by the common council, no part of which shall be refundable. The application for such transfer shall contain the same information as required in this division for an initial application for such permit. In the event of denial, notification and reasons for denial shall be set forth in writing and shall be sent to the applicant by means of registered or certified mail, or by personal service.

Part 54: Chapter 22, Article XXII, Section 22-807 shall be amended to state as follows:

All applications for a nonregistrant massage therapist permit shall be accompanied by an investigation fee set forth in the fee schedule as established by the common council, no part of which shall be refundable. Upon receipt of such application, the city clerk shall refer the application to the police department which, within a period of 30 days from the date of application, shall make investigation and submit a written recommendation thereon to the public safety and licensing committee concerning compliance with the respective requirements.

Part 55: Chapter 22, Article XXIII, Section 22-833(b) shall be amended to state as follows:

(b) All licenses issued under this article shall expire on June 30 of each year. The license fee shall be set forth in the fee schedule as established by the common council, paid at the time of application. The license fee shall not be pro-rated.

Part 56: Chapter 22, Article XXIV, Section 22-864 shall be amended to state as follows:

Every person desiring to obtain a license for the operation of any movie theater or quasi-theater shall file with the city clerk an application in writing for such license, which application shall be made by the person desiring such license, or by his authorized agent. Such application shall state the name of the party desiring such license, and such other information as may be required by the city clerk, and shall specify the premises for which such license is desired. Each application shall be accompanied with a certificate of the chief building inspector as provided in section 22-863, together with a deposit of the license fee set forth in the fee schedule as established by the common council.

Part 57: Chapter 22, Article XXIV, Section 22-869 shall be amended to state as follows:

(a) The annual license fee for each movie theater shall be set forth in the fee schedule as established by the common council.

(b) The annual license fee for each quasi-theater shall be set forth in the fee schedule as established by the common council.

(c) The license fee required under this section shall be 50 percent of the full fee if application is made after October 1 of any license year.

Part 58: Chapter 22, Article XXIV, Section 22-871 shall be amended to state as follows:

A short term movie theater or quasi-theater license may be issued to any person for a period of time not to exceed four days. The license shall specify the specific premises and the specific date or dates for which it is granted. Every such license shall be subject to the conditions of license provided in this article except that the fee for such short term license shall be set forth in the fee schedule as established by the common council.

Part 59: Chapter 22, Article XXV, Section 22-891(6) shall be amended to state as follows:

(6) *License fees.* The license fees under this section are set forth in the fee schedule as established by the common council for the following licenses:

a. A pawnbroker's license.

1. The billable transaction license fee of \$1.00 reflects the cost of processing transactions and other related regulatory expenses as determined by the city council, and shall be reviewed and adjusted, if necessary, annually. Licensees shall be notified in writing 30 days before any adjustment is implemented.

2. Billable transaction fees shall be billed monthly and are due and payable within 30 days. Failure to do so is a violation of this chapter.

b. A secondhand article dealer's license.

c. A secondhand jewelry dealer's license.

d. A secondhand article dealer mall or flea market license.

Part 60: Chapter 22, Article XXV, Section 22-891(8)(d)(3) shall be amended to state as follows:

3. If the problem is determined to be in the pawnbroker's or secondhand article and jewelry dealer's system and is not corrected by the close of the first business day following the failure, the pawnbroker or secondhand article and jewelry dealer must provide the required reports as detailed in state statute, and shall be charged a daily reporting failure fee as set forth in the fee schedule and established by the common council until the error is corrected; or, if the problem is determined to be outside the pawnbroker's or secondhand article and jewelry dealer's system, the pawnbroker or secondhand article and jewelry dealer must provide the required reports pursuant to state statute and resubmit all such transactions via modem when the error is corrected.

Part 61: Chapter 22, Article XXVI, Section 22-923 shall be amended to state as follows:

Upon application for any license issued under this article, the applicant shall pay to the city a fee as set forth in the fee schedule established by the common council for each pool or billiard table. Licenses issued under this article shall expire on June 30 of each year, and the fee for a license to be issued for any period between January 1 and June 30 shall be as established by the common council for each pool or billiard table.

Part 62: Chapter 22, Article XXVI, Section 22-1008 shall be amended to state as follows:

Upon application for a private security person permit, the employing agency shall remit fees to the city as set forth in the fee schedule established by the common council, for the following:

- (1) Permit fee;
- (2) Record check fee;
- (3) Fingerprinting fee;
- (4) CIB fee; and
- (5) FBI fee.

Part 63: Chapter 22, Article XXVIII, Section 22-1052(a), the first paragraph of which shall be amended to state as follows:

- (a) The application for a provider's license under this article shall be accompanied by an operator's license fee and a fee for each vehicle to be operated under such license. Such fees shall be set forth in the fee schedule as established by the common council and shall not be prorated and shall be issued for the following categories of license:

Part 64: Chapter 22, Article XXVIII, Section 22-1067(b) shall be amended to state as follows:

- (b) The license fee for a new or renewal public passenger vehicle driver's license as set forth in the fee schedule as established by the common council shall be submitted with the application for such license. If the applicant is denied a license or withdraws the application during processing, \$5.00 of such fee shall be refunded.

Part 65: Chapter 22, Article XXVIII, Section 22-1086(b) shall be amended to state as follows:

(b) Random inspections. Any licensee under this article may be directed to present a licensed vehicle to the police department for inspection on a random selection basis or when identified by complaint. The licensee shall be notified by mail as to the inspection date and time at least two days prior to the inspection. Failure to submit a vehicle for inspection at the appointed time shall result in the immediate suspension of the license with respect to such vehicle. The licensee shall be notified of such suspension by certified mail and a special inspection fee as set forth in the fee schedule and

established by the common council shall be charged for any rescheduled inspection for such vehicle.

Part 66: Chapter 22, Article XXX, Section 22-1165 shall be amended to state as follows:

An applicant shall be granted a stationary engineer permit by the city clerk if the applicant possess a valid nonexpired ASOPE license of the appropriate classification for the permit class being applied for, has submitted a fully completed application, verifies their identification using a picture identification and pays a fee as set forth in the fee schedule and established by the common council. A permit is valid for one year from date of issue.

The stationary engineer's permit shall be annually renewed without further examination upon payment to the city clerk of a renewal fee as set forth in the fee schedule and showing the person possess a valid nonexpired ASOPE license of the appropriate classification for the permit class being renewed.

The permit shall be prominently displayed in a conspicuous place in the boiler room or power plant an engineer's place of employment.

Part 67: Chapter 22, Article XXXI, Section 22-1196(a)(1) shall be amended to state as follows:

(1) *Licensing*. Application for licensing shall be made 30 days prior to issuance. The licensing year shall be from July 1 through the following June 30. Renewal licenses shall be obtained on or before June 30 of each year or be subject to a late fee as set forth in the fee schedule and established by the common council. Payment of the late fee shall not relieve any person from any other penalties set forth in this section or in the ordinances for failure to possess or obtain a license. A license shall not be issued or renewed by the department unless the person or establishment is in full compliance with the terms of this article, HFS 173, Wis. Admin. Code, and any applicable board of health regulation, as may hereinafter be amended. A license issued under this section is not transferable.

Part 68: Chapter 22, Article XXXI, Section 22-1197 shall be amended to state as follows:

(a) *Annual establishment fees*. Annual establishment fees shall be set forth in the fee schedule as established by the common council for the following:

- (1) Tattoo or body piercing establishments;
- (2) Combined tattoo and body-piercing establishments;
- (3) Preinspection, one time only.

(b) *Temporary establishment fees*. Temporary establishment fees shall be set forth in the fee schedule as established by the common council for the following:

- (1) Tattoo or body-piercing establishments, or combined; first day;

(2) Tattoo or body-piercing establishments, or combined; each day after first day.

Part 69: Chapter 22, Article XXXII, Section 22-1222(6) shall be amended to state as follows:

(6) An annual permit fee as set forth in the fee schedule as established by the common council per box is due January 1 of each year.

Part 70: Chapter 22, Article XXXIII, Section 22-1254 shall be amended to state as follows:

The fee for a license issued under this article shall be set forth in the fee schedule as established by the common council. The license shall expire at midnight on January 3 following the date of issuance. Each location at which Christmas trees are stored, displayed or sold requires a separate license. No license issued under this article shall be transferable either as to person or location.

Part 71: Chapter 22, Article XXXIV, Section 22-1261(a) shall be amended to state as follows:

(a) The city clerk shall issue fresh produce permits annually for a fee as set forth in the fee schedule and established by the common council, subject to the requirements and prohibitions listed below in section 22.1262.

Part 72: Chapter 30, Article I, Section 30-3, shall be amended to state as follows:

Prior to any interment in any city-owned cemetery, there must be filed in the office of the cemetery supervisor a burial permit or burial transit permit. In no case shall interment be made other than by complete compliance with all conditions, rules and regulations governing cemeteries as particularly prescribed in this chapter and Wis. Stats. § 69.18. All charges for interments shall be set forth in the fee schedule as established by the common council.

Part 73: Chapter 38, Article II, Section 38-22 which shall be amended as follows:

Delete the first paragraph and recreate to state as follows: “(a) The fee schedule as established by the common council will be utilized when billing for emergency and non-emergency responses to medically-related calls for assistance received through the 911 joint dispatch center as follows:”

Amend all of the tables under section 22 to delete all specific fees, thereby deleting the first column in each of the seven charts under subsection (a).

Part 74: Chapter 38, Article II, Section 38-23(a) shall be amended to state as follows:

(a) The fee schedule as established by the common council will be utilized when billing for incidents and/or accidents involving motor vehicles and motorcycles. Each vehicle involved will be billed for services provided or assistance rendered as follows:

(1) Vehicle fire requiring a single fire engine response. Incidents determined to be incendiary in nature will not be billed.

(2) Motor vehicle accident level 1 - Basic vehicle accident involving single or multiple vehicles where fire department personnel provide basic assistance for the elimination of basic hazards including: disconnecting vehicle electrical systems, minor spills of fluids including water, anti-freeze, oil and less than one gallon of fluid.

(3) Motor vehicle accident level 2 - Advance[d] vehicle accidents involving single or multiple vehicles where fire department personnel must provide basic heavy hand tools for extrication of trapped victims.

(4) Motor vehicle accident level 3 - Advance[d] vehicle accidents involving the use of power assisted extrication tools such as hydraulic cutters, hydraulic spreaders, air bags, stabilization devices, winches, anchoring systems, saws, plasma cutters and other highly-specialized equipment. This charge will also apply for significant fluid spills greater than one gallon of fluid.

(5) Additional costs may apply for the use of fire suppression foam on large fuel spills and the cost of a cleanup contractor to remove contamination caused by the leakage of fluids. Those costs will be billed at the current replacement cost of the supplies used.

Part 75: Chapter 38, Article II, Section 38-24(a) shall be amended to state as follows:

(a) The fee schedule as established by the common council will be utilized when billing for emergency incidents requiring specialized skills provided by the Racine First Department, for incidents specified below. Fees will be billed to the municipality or company requesting the services unless the municipality or company contracts with the City of Racine Fire Department for these services. The municipality requesting the services will be responsible for recovery of costs from a responsible party. Fees will be used to cover equipment costs, personnel costs and the cost of supplies used during the incident. All supplies utilized will be billed at the current replacement rate. Personnel costs may also include overtime for personnel recalled.

(1) Hazardous materials level A incident response involving chemical, biological or nuclear emergencies not requiring level-A entry garments classified as extremely hazardous substances (EHS) requiring full suit encapsulation.

- Minimum response will be tactical command, special teams 1 and personnel based on the incident assessment matrix.

- An hourly rate for on-duty personnel utilized for the response - from the time of dispatch until units are returned in quarters plus any supplies used.
- An hourly rate for off-duty personnel recalled from the time of dispatch until units and personnel are returned in quarters plus any supplies used.

(2) Hazardous materials level B incident response involving chemical, biological, or nuclear emergencies.

- Minimum response will be special teams 1, and personnel based on the incident assessment matrix.
- An hourly rate for on-duty personnel utilized for the response from the time of dispatch until units are returned in quarters plus any supplies used.
- An hourly rate for off-duty personnel utilized for the response due to the magnitude of the incident - and personnel are returned in quarters plus any supplies used.

(3) Chemical assessment team response for incidents involving chemical, biological or nuclear emergencies for which monitoring and non-physical assistance is provided.

- Minimum response will be special teams 1 and personnel, based on the incident assessment matrix.
- An hourly rate for on-duty personnel utilized for response from the time of dispatch until units are returned in quarters plus any supplied used.
- An hourly rate for collapse, trench or confined-space rescue response from the time of dispatch until the units and personnel are returned to quarters plus any supplies used.
- An hourly rate for high and low-angle technical rope rescue response from the time of dispatch until the units and personnel are returned to quarters plus any supplies used.

Part 76: Chapter 38, Article II, Section 38-25 shall be amended to state as follows:

The fee schedule as established by the common council shall apply for major disasters or emergencies that occur in municipalities which are not covered by the mutual aid box alarm system (MABAS) contracts or where a state or federal disaster has been declared. When not otherwise addressed, the current Federal Emergency Management Agency

(FEMA) Schedule of Equipment Rates will be utilized. Costs will be billed from the initial dispatch time until the unit or units' returns to quarters.

- (1) Personnel costs - Actual cost incurred including overtime and detailed on a separate worksheet. The detailed worksheet must show the employee, apparatus assignment, specific duties, time spent on the assignment, and payroll information.
- (2) An hourly rate plus staff FEMA Cost Code 8041 – Ambulance.
- (3) An hourly rate plus staff FEMA Cost Code 8131 - Boat, runabout 13' × 5'.
- (4) An hourly rate plus staff FEMA cost Code 8312 - Generator up to 43 kW(ST-1),
- (5) An hourly rate plus staff FEMA Cost Code 8692 - Truck, fire pump capacity 1500 gpm.
- (6) An hourly rate plus staff FEMA Cost Code 8694 - Truck, fire-quint 75' ladder.
- (7) An hourly rate plus staff FEMA Cost Code 8695 - Truck, fire-ladder 100'.
- (8) An hourly rate plus staff tactical command post (TC-1).
- (9) An hourly rate plus staff special teams 1 (ST-1).

Part 77: Chapter 38, Article II, Section 38-31 shall be amended to state as follows:

(a) For various reasons, false alarms for alarm systems frequently occur. Each false alarm requires response by public safety personnel, involves unnecessary expense to the city, increases the risk of injury to persons and damage to property, and dilutes the overall public safety protection to the city. False alarms constitute a public nuisance and must be abated. Any person whose premises is connected to a central alarm system in accordance with this article shall pay to the city a charge for false alarms responded to by the police department and/or fire department, whichever amount is greater if both respond, according to the fee schedule as established by the common council schedule for each calendar year for each premises connected.

(b) This section is intended to impose strict liability on the person responsible for an alarm system or for a connection to a central alarm station and applies regardless of the cause of the false alarm, except as otherwise provided herein.

Part 78: Chapter 42, Article V, Division 2, Section 42-132(3) shall be amended to state as follows:

(3) Fees. The fee per day for a temporary variance permit under subsection (1) above shall be as set forth in the fee schedule as established by the common council.

Part 79: Chapter 42, Article V, Division 2, Section 42-136(g) shall be amended to state as follows:

(g) Fees. Prior to the approval of an application under this section, a fee as set forth in the fee schedule as established by the common council per day or any portion thereof shall be paid to the city if the loudspeaker or sound-amplifying equipment is to be used for commercial purposes. Any person who operates a sound truck business and maintains his

offices within the city may be granted an annual license upon application therefor and payment of a fee as set forth in the fee schedule as established by the common council. No fee shall be required for the operation of a loudspeaker or sound-amplifying equipment for noncommercial purposes.

Part 80: Chapter 46, Article V, Division 2, Section 46-136 shall be amended to state as follows:

(a) The purpose of this section is to provide for the recovery of costs of chemical analysis performed by the city department of health in connection with the prosecution of persons under various local and state laws.

(b) Whenever the city chemist or his representative, in a capacity as expert, performs chemical analysis to aid in the prosecution of a defendant which results in a conviction of a drug or alcohol related offense, such defendant shall pay to the city a fee for such analysis according to the fee schedule as established by the common council.

Part 81: Chapter 50, Article II, Division 2, Section 50-66(a) shall be amended to state as follows:

(a) Fees, as set forth in the fee schedule as established by the common council, based on occupancy classification.

Part 82: Chapter 50, Article III, Division 2, Section 50-125(c)(4) shall be amended to state as follows:

(4) A fee as set forth in the fee schedule as established by the common council.

Part 83: Chapter 50, Article III, Division 3, Section 50-263(c) shall be amended to state as follows:

(c) A permit fee as set forth in the fee schedule as established by the common council shall be paid before issuance of a permit to burn.

Part 84: Chapter 50, Article IV, Division 3, Section 50-392 shall be amended to state as follows:

Every person, whether self-employed or employed by another, who services or installs fire extinguishing systems in vent hoods and ducts within the city shall first obtain a permit as provided in this division. Permits shall expire on December 31 of the year for which it was issued. The permit process and fee shall be as follows:

(1) Initial permit to install and service. Every applicant for permit to service and or install automatic fire extinguishing systems shall make written application with the bureau of fire prevention including name, address, stated experience, copies of all factory authorized training certificates, and all other documents of relevant training, and shall include an application and permit fee as set forth in the fee schedule as established by the common council. Application shall include evidence of commercial general liability insurance coverage issued by an

insurance carrier with the "Best" rating of "A-VII" or better and that is an admitted carrier in the State of Wisconsin, insuring the public in an amount of not less, \$500,000.00 combined single limit bodily injury and property damage per occurrence for injury and damage caused by the negligence of such applicant in installing or servicing automatic extinguishing systems.

(2) Annual renewal permit. A permit issued under this section may be renewed upon filing a completed renewal application within 30 days prior to expiration of the current permit, with proof of the specified liability insurance coverage for the year for which the application is made, and shall include payment of a renewal and permit fee as set forth in the fee schedule as established by the common council.

Part 85: Chapter 50, Article IV, Division 3, Section 50-394(b) and (d) shall be amended to state as follows:

(b) Review of plans; fee. All plans for automatic fire extinguishing equipment shall be submitted for review and approval by the fire prevention bureau prior to installation of the equipment. Two sets of plans and specifications shall be submitted to the bureau. One set shall be returned to the installer and if, sufficient, shall be stamped "approved by the bureau of fire prevention" with the date of such approval. The plan review fee shall be as set forth in the fee schedule as established by the common council.

(d) Inspection; fee. A representative of the fire prevention bureau shall inspect all fire extinguishing systems installations prior to occupancy. The inspection fee shall be as set forth in the fee schedule as established by the common council. Occupancy shall not be approved until the installation is approved.

Part 86: Chapter 50, Article IV, Division 4, Section 50-410(4) shall be amended to state as follows:

(4) The plan examination fee shall be as set forth in the fee schedule as established by the common council per set of plans, which shall be paid upon submission of the plans.

Part 87: Chapter 50, Article IV, Division 4, Section 50-411(b) shall be amended to state as follows:

(b) Inspection fees under this division shall be as set forth in the fee schedule as established by the common council.

Part 88: Chapter 50, Article IV, Division 5, Section 50-433 shall be amended to state as follows:

Upon approval of the application for a permit under this division, the fire prevention bureau shall issue such permit upon receipt of a permit fee as set forth in the fee schedule as established by the common council. The permit shall expire on December 31 of the year for which it is issued.

Part 89: Chapter 50, Article IV, Division 5, Section 50-434 shall be amended to state as follows:

A service permit issued under this division may be renewed upon payment of an annual renewal fee as set forth in the fee schedule as established by the common council, a completed application, and proof of the specified liability insurance coverage for the year for which the application is made.

Part 90: Chapter 70, Article III, Division 1, Section 70-78(c) shall be amended to state as follows:

(c) If a permit is approved, the applicant shall, within five days prior to the date of the bonfire, file with the director a clean-up bond in the amount specified in the department's schedule of fees and charges as set forth in the fee schedule as established by the common council. Within 30 days after the bonfire, the deposit shall be returned to the permittee if the director determines that the area used by permittee was adequately cleaned. If the area used was not adequately cleaned, the deposit shall be retained and forfeited as a clean-up fee.

Part 91: Chapter 70, Article III, Division 1, Section 70-90(b) shall be amended to state as follows:

(b) A duly organized club, society or association which has a primary purpose related to the ownership of a designated kind of animal may apply to the director of parks, recreation and cultural services for permission to rent a portion of Pershing Park or Lakeview Park for the purpose of assembling such animals for an animal show. The director shall forward such application, along with his recommendation, to the board of parks, recreation and cultural services commissioners, which may grant authority for persons to bring such animals into the designated park for the purpose of an animal show. A grounds deposit as specified in the department's schedule of fees and charges as set forth in the fee schedule as established by the common council shall be made at least five days prior to the date of such animal show. The deposit shall be returned within 30 days after the show unless the director finds that the area used was not adequately cleaned. In such event, the deposit shall be forfeited as a clean-up fee and the permittee shall not be eligible to use a city park for such purpose for three years.

Part 92: Chapter 82, Article II, Division 3, Section 82-73 shall be amended to state as follows:

The applicant for a permit to excavate (by means of digging, boring or similar method) in a public street or public way shall pay a fee as set forth in the fee schedule as established by the common council per lineal foot of excavation. The minimum permit fee shall be as set forth in the fee schedule as established by the common council for such permit. A street restoration fee shall be paid as set forth in the fee schedule as established by the common council.

Part 93: Chapter 82, Article III, Division 4, Section 82-154 shall be amended to state as follows:

The permit year shall commence July 1 or thereafter when the permit is issued, and shall expire on June 30 following its issuance. The annual fee for a sidewalk café permit shall be as set forth in the fee schedule as established by the common council, which shall be paid to the city clerk at the time the applicant submits the completed application. The permit shall not be prorated for a partial year.

Part 94: Chapter 82, Article IV, Section 82-162(b) shall be amended to state as follows:

(b) The fee for breaking out or removal of any curb for the purpose of constructing a driveway approach shall be as set forth in the fee schedule as established by the common council.

Part 95: Chapter 82, Article IV, Section 82-163(b) shall be amended to state as follows:

(b) No portion of the driveway approach may be constructed in front of the adjacent parcel of land, except as specifically authorized by the commissioner upon the owner's showing of necessity for a flared driveway approach due to insufficient land area necessary for reasonable ingress and egress and which does not result in obstruction of traffic or undue hardship upon the abutting property owner, and upon execution by the requesting property owners of a street privilege agreement pursuant to Wis. Stats. § 66.0425. The agreement shall be signed by the city if the commissioner approves the request and owner has submitted payment of an administrative fee as set forth in the fee schedule as established by the common council, which shall also cover the recording cost.

Part 96: Chapter 86, Article V, Section 86-194 shall be amended to state as follows:

Review fees as set forth in the fee schedule as established by the common council shall be charged by the city.

Part 97: Chapter 90, Article III, Section 90-55(a) shall be amended to state as follows:

(a) No innkeeper shall operate a lodging facility without first obtaining a room tax permit for each lodging facility. Application for such permit shall be made to the treasurer on forms provided by the Treasurer. The Treasurer shall issue a permit to the innkeeper for each lodging facility for which application is made upon payment of a one-time fee as set forth in the fee schedule as established by the common council for each lodging facility. Lodging facilities that are current on all inspections and which have paid and are current on payment of room taxes prior to September 4, 2018, shall not be required to pay the permit fee and shall be issued a room tax permit. The permit is nontransferable and is valid only for the named lodging facility and the innkeeper named in such permit. The permit shall be posted in a conspicuous place in the lodging facility for which it is issued.

Part 98: Chapter 90, Article III, Section 90-56(a) shall be amended to state as follows:

(a) Whenever any person fails to comply with this section the treasurer may, upon ten days notification and after affording such person the opportunity to show cause why his or her permit should not be revoked, revoke or suspend any or all of the permits held by such person. The treasurer shall give to such person written notice of the suspension or revocation of any of his or her permits. The treasurer shall not issue a new permit after the revocation of a permit unless he or she is satisfied that the former holder of the permit will comply with the provisions of this section. A fee as set forth in the fee schedule as established by the common council shall be imposed for the renewal or issuance of a permit that has been previously suspended or revoked.

Part 99: Chapter 90, Article III, Section 90-60 shall be amended to state as follows:

A penalty of 25 percent of the room tax due for the previous year or \$5,000.00, whichever is less, of the tax imposed, is hereby established and due and owing in the event that the room tax is not paid within ten days after the due date of the return. In addition to this penalty, all unpaid taxes assessed or imposed under this article shall bear interest at the rate of 12 percent per annum from the due date of the return until paid. An extension of time within which to file a return shall not operate to extend the due date of the return for purposes of interest computation. Delinquent tax returns shall be subject to a late filing fee as set forth in the fee schedule as established by the common council.

Part 100: Chapter 94, Article III, Division 3, Section 94-163 shall be amended to state as follows:

The area privilege fee as set forth in the fee schedule as established by the common council for each lineal foot of curb space covered by the area privilege granted on or after January 1 of any year, excepting that if the area privilege is granted on or after July 1 of any year, the fee shall be as set forth in the fee schedule as established by the common council for each lineal foot of curb space covered by the area privilege granted for that year. If the common council finds that such loading and unloading zone should be established it shall direct the commissioner of public works to erect appropriate signs and collect the area privilege fee and sign installation costs. All area privileges shall expire on December 31. Area privileges may be renewed and shall remain in effect upon payment of the annual fee, unless revoked by the public works and services committee. The persons, groups or organizations which may receive an area privilege without payment of the annual fee are public or parochial schools, churches, hospitals, asylums or charitable institutions devoted to or which furnish free services to disabled persons.

Part 101: Chapter 94, Article III, Division 3, Section 94-166 shall be amended to state as follows:

The annual fee for each lineal foot of curb space covered by an area privilege shall be as set forth in the fee schedule as established by the common council. No person may park any vehicle in any area privilege zones authorized under this division at any time.

Part 102: Chapter 98, Article VII, Section 98-408(b)(1) shall be amended to state as follows:

(1) Unless otherwise excepted by this article, a permit application must be accompanied by a stormwater management plan, a maintenance agreement and a nonrefundable permit administration fee as set forth in the fee schedule as established by the common council.

Part 103: Chapter 114, Article II, Division 1, 114-36 shall be amended to state as follows:

Inspection fee for the first inspection shall not apply. If no violations of the zoning code are found, the case will be closed, and no further action will be taken. If violations are found to exist, the property owner will be issued an order to correct violations within 30 days. If upon reinspection the violations have been corrected, the case will be closed, and no further action will be taken. If upon reinspection the violations are found to still exist, the property owner will be assessed an inspection fee as set forth in the fee schedule as established by the common council. If the violations continue after reinspection, the property owner may be subject to a citation being issued for the violations. The property owner may also be subject to their conditional use permit and/or occupancy certificate being revoked.

Part 104: This ordinance shall take effect upon passage by a majority vote of the members-elect of the City of Racine Common Council and publication or posting as required by law.
