RE: Revised Project Agreement for Reconstructing Ohio Street (LOC STR),

We have received a revised project agreement from the Wisconsin DOT for reconstructing Ohio Street (LOC STR) from Durand Avenue (STH 11) to 21<sup>st</sup> Street, State Project ID: 2704-05-00/70, in the City of Racine.

The estimated cost of the construction is \$2,340,800 with \$1,872,640 of federal funds through the State Highway Improvement Project, and the City's share being \$468,160 and funding is available in Account No. 988.905.5060, Ohio Street, 21<sup>st</sup> Street to Durand Avenue.

This amended agreement is to add the maximum federal participation for all phases to be limited to \$1,872,640. Project costs in excess of this federal cap will be the responsibility of the municipality.

If the Committee agrees, appropriate action would be to approve the agreement and authorize the Mayor and City Clerk to enter into the agreement.
