

Item 1132-25 Alderman Weidner

Department Impacted: Library

Eliminate resident/nonresident differential for library employees to be paid from proposed 18% increase in library funding.

Fiscal Note: Cost of this amendment is about \$75,000. Funding source provided is already covering the budgeted costs of the library and therefore is not an available funding source for this amendment.

This amendment will increase the structural deficit and lacks an appropriate funding source. Therefore, this amendment is in violation of resolution 0567-25.

Legal Note: City Council does not have the authority to override the decision of the Library board.
