Mayor Gary Becker
Members of the Common Council
c/o Janice Johnson-Martin, City Clerk

Subject: Request to amend the project plan and boundary of Tax Incremental
District No. 10.

Dear Mayor Becker and Honorable Aldermen:

In the time since the city created TID No. 10 to provide funding for the Southside Industrial Park on the former Jacobsen property, additional land has been purchased for the industrial park and grants have been obtained that offset some the costs. The TID plan and boundary should be revised to reflect these changes.

I respectfully ask that this item be referred to the City Plan Commission for its review and recommendation.

Sincerely,
