Honorable Mayor John Dickert and the
Members of the Common Council
730 Washington Avenue
Racine, WI 53403

Please refer this request to the Finance and Personnel committee.

I am requesting that city policy be written to codify the current practice that permission to apply for grants be approved by the Common Council via the Finance and Personnel Committee. Once the grant has been awarded, permission to accept the grant must also be approved by the Common Council via the same process. Grants that recur annually may be submitted for permission to apply for and accept at the same time.
