Good morning!

The purpose of this facsimile is to see if the City of Racine might be able to donate a pavilion or sheltered picnic area for an upcoming event. I organize the Rummage for Rescue and Silent Auction Fundraisers and we have had to reschedule our Racine one due to rain - twice now ...and have lost the previously scheduled location, so I am trying to find a new one (hopefully under shelter) so I can reschedule once more.

I would need about 2-3 weeks to re-advertise, but everyone was excited and anticipating this fundraiser. All proceeds from this amazing event will once again benefit a local animal rescue and the Racine Police K-9 Unit. We held one last September that raised \$1648 total, and hope to do even better this time around. Depending on the dates, all four teams from the K-9 unit may be able to make an appearance for Meet N Greets as well.

I am happy to speak with you more about details or if you have any ideas that could help me re-organize this ASAP. Please feel free to contact me via my cell phone: 262-308-2523 or via Animal Wellness Center of Oak Creek (where I work as a CVT & Marketing Director) at: 414-762-8888. Thank you in advance!

Sincerely,

Julie Westphal, CVT
