Dear Sir:

We respectfully request permission to hold our Lutheran High School **TECH TREK** on ,  
Wednesday, November 2, 2011 , beginning at approximately 7:30 a.m. Students will walk a 4  
mile route with faculty supervision. The walkers will begin at LHS and walk south on Luedtke  
Avenue around the block and into Island Park. Then they will follow the bike path through the  
park under Spring Street and over into Lincoln Park. To complete the **TECH TREK**, students  
must walk the route two times. We anticipate around 194 walkers and, as in the past, do not  
request police assistance. Thank you for your consideration.

Sincerely,

Nate Bickel  
Dean of Students and Faculty
