

BOARD OF HEALTH MEETING
May 11, 2010

DEPARTMENT: Community Health Programs

PREPARED BY: Teri Hicks, Director Community Health Programs

MONTH: April, 2010

HIGHLIGHTS

Date	Meeting	Purpose	Outcome
April 8, 2010	Presentation of Seasonal Influenza Vaccine	For Racine Public Health Nurses to obtain information regarding the new High Dose Seasonal Influenza Vaccine	The Health Department is not purchasing this vaccine until further research is published. The Department will continue to provide the regular dose of Seasonal Influenza Vaccine for the 2010 season.
April 14, 2010	The Wisconsin Immunization Registry (WIR) Users Group	To review new features for the WIR	Determine how new Geographic Information Systems will achieve population-based goals. In addition, schools will be allowed to add immunization data to WIR.
April 14, 2010	Prenatal Care Coordination Providers	To share aspects of program implementation	Obtained updates on the State of Wisconsin Early Identification of Pregnancy Program, Women / Infants and Children, and Milwaukee's Breast Feeding support program.
April 21, 2010	Racine Healthy Births Healthy Families (RHBHF) Nurses conducted Reading Workshop at Racine Public Library	The program objective was for the participant to understand the benefits of child growth & brain development through reading	Education conducted on child growth, brain development, reading, books, bonding, parenting, and library services. The families participated in story time, a puppet show, and library tour. Families received a library card and book. Four adults and seven children attended.
April 21, 2010	Park High School Teen Group	To observe current group education sessions conducted with pregnant mothers in the school district. Also, to provide information regarding this Department's Prenatal Care Coordination Program	Topic of group education sessions will be revisited at the next Teen Group meeting to determine collaborative efforts.
April 21, 2010	Cribs for Kids (C4K)	To review and update the current program of education and crib distribution	The Health Department is collaborating with the local C4K program to provide group education and crib distribution. Program forms were reviewed / updated in order to capture the evaluation information desired.
