Re: Contract 07-15 (K5-007), PS – Spring Street Watershed Storm Water Study

We have received a Professional Services Agreement from Brown and Caldwell for Contract 07-15 (K5-007), PS – Spring Street Watershed Storm Water Study. The agreement is for a study to evaluate storm water flooding in the Spring Street Watershed in the City of Racine.

The agreement is in the not-to-exceed amount of \$73,250. Funding for this agreement is available in Org-Object 60484-57570, Storm Sewers.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
