

Item 1129-25 Alderman Weidner

Department Impacted: Community Safety

Remove Department of Community Safety from levy, apply 175,000 from Wage Fund for gap funding for 6 months until the Department of Community Safety received the grant dollars applied for or, should grant funding fail, to give the Department opportunity to request a public referendum to fund positions as was required of the fire department to fund the 9 positions eliminated in the 2021 budget. Include removal of strike-through language from corresponding ordinance.

Fiscal Note: Remove funding from Community Safety Department and allocate \$175,000 into a contingency line item for 6 months of coverage.
