To: The Honorable John Dickert & Members of the Common Council

From: David L. Maack
5th District Alderman

Memo Re: Time Warner Decision

I have received several calls concerning Time Warner's Decision to remove the Chicago PBS station from their lineup of available stations. Michael Holmes, 4221 Greenbriar Ln, Racine is requesting that the Cable Commission go on record as apposing this and that the City of Racine send a letter to Time Warner indicating their dissatisfaction with this action.

Thank you for your consideration.
