Mr. Brian O'Connell
Racine Re-Development Authority
730 Washington Avenue
Racine, WI 53403

Dear Mr. O'Connell:

This letter is to inform you that Cricket Communications is in the process of subleasing space on the property owned by the Racine Re-Development Authority located at 1810 Phillips Avenue. This is pursuant to a lease agreement executed by and between Gary J. and Jane T. DePelecyn and TeleCorp, Realty; LLC dated September 26, 2000, which allows subleasing under Section 19(c). The Lessee now is AT&T.

Cricket is proposing to install 3 antennas on the tower at a height of 130 feet. There will be 6 cable lines connecting the antennas to the equipment cabinets that will be installed on a platform located inside the existing fenced compound. A site plan and tower elevation drawing is included.

Cricket Communications is requesting the Racine Re-Development Authority to sign the Conditional Use Permit Application that has been submitted to the Racine Dept. of City Planning in order complete the process for approval.

If you have any questions, please feel free to contact me at 414-659-6781.

Sincerely,

Rosemarie Barrette
