Honorable Mayor and Members of the Common Council  
City of Racine  
Racine City Hall  
730 Washington Avenue  
Racine, WI 53403

Dear Mayor and Council Members:

I hereby request permission to accept funds for *Multijurisdictional Implementation of Beach Redesigns to Improve Water Quality and Restore Habitat* in the amount of \$300,000 from the Fund for Lake Michigan. This project seeks to improve water quality and restore coastal habitats at three (3) Lake Michigan beaches in Racine and Kenosha Counties through the implementation of conceptual redesign plans.

Design elements are based on the results of a 3-year Great Lakes Restoration Initiative study that examined sources of pollution at these locations. Plans are approved, or in the process of being approved, by the affected municipalities.

There is no City match required. (Res. #13-0345) (Grant Control #2013-023)

Respectfully submitted,
