Hello John and Nancy,

Would you please place this on the agenda for the next meeting?

The northeast corner of 16<sup>th</sup> and Taylor is a difficult turn for large trucks when travelling west on 16<sup>th</sup> and making the right to travel north on Taylor Avenue. Currently, there is a 30 minute parking sign posted on the light pole on the east side of Taylor Av., just east of 16<sup>th</sup> Street. Given proximity to the driveway just north of the corner building and the crosswalk, it is almost impossible for a vehicle to park in this location without being in violation of either too close to the crosswalk or the driveway. Also, due to the acute angle of the turn (wb 16<sup>th</sup> to nb Taylor), if a vehicle were to be parked legally, it is very difficult for a larger truck to make the turn.

I am requesting that the 30 minute parking sign be taken down and a No Parking sign which would be in effect from the driveway, south to the corner, be placed in this location.

I have attached to images relating to this location.

Thank you,  
Dave
