Re: Winslow Street outreach event-Saturday, July 15, 2017

Mayor Dickert and Racine Common Council:

We hope this letter finds everyone well. My name is Jettie Cornett, and I serve as the Senior Pastor of Greater Grace Temple Church of God in Christ, Incorporated. The purpose of this letter is to seek permission to do an outreach event on Winslow Street on Saturday, July 15, 2017.

As a church in the community, we are seeking to become more active in our community to see a positive change and to better enhance the overall climate in the city of Racine. Our first step in doing this is establishing a relationship with those who live in the community surrounding the church.

We are requesting the use of one city block, the block which connects North Memorial Drive and Winslow Street, ending at Jones Street. We will provide free food, have music and connect further with the residents of the neighborhood on Winslow Street.

If there are any questions or concerns regarding our request, please feel free to contact us via the contact information seen on our letterhead. Your attention to our request is greatly appreciated.

Thanks and Best Regards,

Jettie L. Cornett, Senior Pastor
Greater Grace Temple Church of God in Christ, Incorporated
