Re: Contract 20160021, PS – Festival Hall Grounds Sinkhole Remediation,
Smith Group JJR, Consultant

We have received a Professional Services Agreement from Smith Group JJR for Contract 20160021, PS – Festival Hall Grounds Sinkhole Remediation. The agreement is for design and engineering services for remediation of issues related to the failure of a 36-inch corrugated metal pipe at the Festival Hall grounds which led to a sinkhole formation in December 2015.

The agreement is in the not-to-exceed amount of \$48,000. Funding for this agreement is available in Org-Object 60484-57570, Storm Water.

If the Committee agrees, the appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
