Subject: Re: Parks, Recreation and Cultural Services Department Visioning Exercise

Terry McCarthy <mccartte@yahoo.com> wrote:

Distinguished City Officials,
I am writing to ask that the Parks, Recreation and Cultural Services Department undertake a visioning exercise. The specific goal would be to have a vision of what the services from this department will look like in five years. This exercise should include a forum for public input.
The resulting vision will allow the Board to ensure that operational and capital budgets that reflect the desires of Racine citizens can be presented to the Common Council.

Thank you for your consideration.
