[Res.12-3239](#) 2013 - 2014 Collective Bargaining Agreements

WHEREAS, several changes contained in 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32 affect collective bargaining between represented municipal employees and municipal employers, to wit:

As to "general municipal employees," the sole permitted subject of collective bargaining is total base wages.

As to "public safety employees," the design and selection of health care coverage plans by the municipal employer, and the impact of the design and selection of the health care coverage plans on wages, hours, and conditions of employment, the requirement that for public safety personnel hired on or after July 1, 2011 the employer may not pay the employee's WRS contribution share, and the permissibility of a collective bargaining agreement to include dispute resolution procedures, including arbitration, addressing suspension, reduction in rank, suspension and reduction in rank, or removal of public safety employees are all prohibited subjects of collective bargaining.

WHEREAS, pursuant to the terms of 2011 Wisconsin Acts 10 and 32, the applicability of the above-described changes under the law first apply to employees who are covered by a collective bargaining agreement on the day when the collective bargaining agreement expires or is terminated, extended, modified, or renewed, whichever occurs first.

WHEREAS, the now-existing collective bargaining agreements between the City of Racine and Local 321 International Association of Firefighters, the Racine Police Association, AFSCME Local 67 (DPW/Parks Unit), AFSCME Local 67 (City Hall Clericals Unit), AFSCME Local 67 (Police Department Clericals Unit), and the now-existing memoranda of agreement between the City of Racine and the Racine Fire Department Staff Officers' Association and the Racine

Police Department Staff Officers' Association, and each of them, expire on December 31, 2012.

WHEREAS, under the terms of 2011 Wisconsin Act 32, for all future years the City of Racine will only be permitted to increase its levy over the amount it levied in the prior year by the percentage increase in equalized value from net new construction, absent a referendum approving a tax increase.

NOW THEREFORE, in order to comply with 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, and both of such Acts, as to collective bargaining, and because of the levy limit provisions of 2011 Wisconsin Act 32, be it hereby RESOLVED that:

Resolution 10-2298, dated December 7, 2010, as to any provision of the prospective 2013-2014 collective bargaining agreement between the City of Racine and Local 321, International Association of Firefighters, that is a prohibited subject of collective bargaining under 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, or either of such Acts, is hereby rescinded, and any provision in such collective bargaining agreement that is a prohibited subject of collective bargaining under 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, or either of such Acts, does not and shall not have effect at any time.

Resolution 10-2331, dated December 21, 2010, as to any provision of the prospective 2013-2014 collective bargaining agreement between the City of Racine and the Racine Police Association, that is a prohibited subject of collective bargaining under 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, or either of such Acts, is hereby rescinded, and any provision in such collective bargaining agreement that is a prohibited subject of collective bargaining under 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, or either of such Acts, does not and shall not have effect at any time.

Resolution 10-2353, dated January 4, 2011, as to any provision of the prospective 2013-2014 memorandum of agreement between the City of Racine and Racine Police Department Staff Officers' Association, that is a prohibited subject of bargaining under 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, or either of such Acts, is hereby rescinded, and any provision in such memorandum of agreement that is a prohibited subject of bargaining under 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, or either of such Acts, does not and shall not have effect at any time.

Resolution 10-2354, dated January 4, 2011, as to any provision of the prospective 2013-2014 memorandum of agreement between the City of Racine and Racine Fire Department Staff Officers' Association, that is a

prohibited subject of bargaining under 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, or either of such Acts, is hereby rescinded, and any provision in such memorandum of agreement that is a prohibited subject of bargaining under 2011 Wisconsin Act 10 and 2011 Wisconsin Act 32, or either of such Acts, does not and shall not have effect at any time.

Resolution 11-2403, dated February 16, 2012, as to the entirety of the prospective 2013-2014 collective bargaining agreement between the City of Racine and AFSCME Local 67 (DPW/Parks), is hereby rescinded, and such collective bargaining agreement does not and shall not have effect at any time.

Resolution 11-2404, dated February 16, 2012, as to the entirety of the prospective 2013-2014 collective bargaining agreements between the City of Racine and AFSCME Local 67 (City Hall Clericals and Police Department Clericals), is hereby rescinded, and such collective bargaining agreements do not and shall not have effect at any time.

Ordinance 8-12 - Access Corridor and Downtown Area Design

Guidelines

An ordinance amending Access Corridor and Downtown Area Design Guidelines

The Common Council of the City of Racine, Wisconsin, do ordain as follows:

Part 1: Create 114-328(19), 114-428(20), 114-468(29), 114-488(19), 114-568(38) to read as follows: "Uses as described in Sec. 114-825(b)."

Part 2: In Sec. 114-637, Access Corridor Overlay District, Mapped Districts; delete the "State Street corridor district" and its description, in its entirety.

Part 3: Create 114-822(9) Downtown Area Design Guidelines, Purpose and Intent, to read as follows:

(9) Promote the use, development and maintenance of property adjacent to or proximate to the Root River in order to accomplish public safety, environmental protection, economic development, and public health and recreation objectives.

Part 4: In Sec. 114-823, Downtown Area Design Guidelines, Definitions repeal and recreate the definition of "downtown area" as follows:

Begin at a point being on the centerline of North Wisconsin Avenue approximately 190 feet north of the intersection of the centerlines of North Wisconsin Avenue and Hamilton Street; from said beginning point proceed east to the center line of Main Street, then north along said centerline to the centerline of Hubbard Street; then easterly along the Hubbard Street centerline to the—west line of Michigan Boulevard; then southerly along said west line 200 feet; the east to a line being the western shore of Lake Michigan (including those lands found south of the easterly extended centerline of the Root River and north, and west, of the harbor's south breakwater); then southerly along said line to a point on the extended centerline of Tenth Street; then west along said extended centerline to a point on the centerline of Wisconsin Avenue; then north along said centerline to a point on the centerline of Ninth Street; then west along said centerline to a point on the centerline of College Avenue; then north along said centerline to a point on the centerline of Eight Street; then west along said centerline to a point on the centerline of Grand Avenue; then south along said centerline to a point on the centerline of Ninth Street; then west along said centerline to a point on the western line of the former Chicago, Milwaukee and St. Paul Railroad right-of-way; then southwest along said western line to a point on the centerline of Tenth Street; then west along said centerline to a point on the centerline of Racine Street; then north along said centerline to a point on the centerline of Ninth Street; then west-southwest along said centerline to a point on the center line of Harrbridge Avenue; then north along said centerline to a point on the centerline of the Root River; then east along said centerline to a point on the centerline of Memorial Drive; then north along said centerline to a

point on the centerline of West Sixth Street; then east along said centerline to a point on the west line of the Union Pacific (a.k.a. Chicago and Northwestern) Railroad right-of-way; then northwesterly on said west line to a point on the centerline of Liberty Street; then west along said centerline to a point on the centerline of North Memorial Drive; then north-northwesterly along said centerline to a point on the centerline of West Street; then east along said centerline-extended to a point on the centerline of LaSalle Street; then north along said centerline to a point on the centerline of Prospect Street; then east along said centerline to a point on the centerline of Douglas Avenue; then north along said centerline to a point on the centerline of Hamilton Street; then east along said centerline to a point on the centerline of North Wisconsin Avenue; then north along said centerline to the point of beginning.

Part 5: In Sec. 114-824, Downtown Area Design Guidelines. Mapped district, delete 114-824 (c) in its entirety.

Part 6: In Sec. 114-825, Downtown Area Design Guidelines, Land uses, insert "(a)" before paragraph that starts with the words "All permitted uses..."

Part 7: Create Sec. 114-825 (b) as follows:

(b) The following uses may be allowed by conditional use permit in addition to those uses described in (a) above, excepting those lands zoned R-1, R-2 and R-3:

1. Boat launches, piers, pedestrian and bicycle facilities, private retaining walls and private storm water facilities.
2. East of the Marquette Street: outdoor storage of watercraft typically carried overland on trailers on parcels directly adjacent to the Root River.
3. Throughout the Downtown Area: outdoor storage of watercraft typically carried manually, such as canoes and kayaks.
4. Outdoor storage of recreation equipment as an accessory use.
5. For lands in a I-2 District, land uses which are otherwise permitted uses but may create noise, heat, vibration, or radiation, which are detectable at the property line, or involve materials which pose a significant safety hazard.
6. For lands in a B-5 District, industrial land uses which are otherwise not permitted therein.
7. Uses which are otherwise not permitted unless under the control of a Flex Development overlay or a Planned Development conditional use permit.

Part 8: Section 114-826, Downtown Area Design Guidelines, Prohibitions and Exemptions, shall be repealed and recreated as follows:

(a) In the downtown area, the following prohibitions shall apply:

1. No person shall undertake any new exterior construction activity, any building expansion, or any exterior renovation/rehabilitation activity for projects whose impact will result in the alteration of the visual character or impact of the facade without first making application to the design review commission and receiving approval from the design review commission and/or common council as prescribed in this division, nor without receiving all applicable permits.
2. No person shall install new or replacement signs, regardless of value, without first making application to the design review commission and receiving approval from the design review commission and/or common council as prescribed in this division, nor without receiving all applicable permits.
3. Outdoor storage of products, equipment, and other materials (as a primary or accessory use) unless otherwise noted in Sec. 114-825.

(b) In the downtown area, the following exemptions shall apply:

1. Signs advertising occasional sales, services or events are exempt from the requirements of subsection 114-826(2) of this division.
2. Maintenance and repair activities that do not alter the property's exterior design features are exempt from the requirements of this division.
3. Public recreation facilities which involve no pavement or buildings.
4. Essential services as defined by Section 114-238.

Part 9: Sec. 114-828 (a), Downtown Area Design Guidelines, Administration, is amended by deleting the words "...an at large member..." and inserting the words "...a member of the Root River Council or a similar successor organization..."

Part 10: Sec. 114-829, Downtown Area Design Guidelines, Evaluation Criteria, through existing Sec. 114-829(3), is repealed and recreated as follows:

The following design guidelines evaluation criteria shall be used to determine if a proposed activity fulfills the objectives of this division:

(1) Traffic circulation. All vehicular and pedestrian circulation systems shall provide adequate and reasonably safe access through the downtown, and should promote a pedestrian friendly environment.

(2) Environmental Design. All projects shall incorporate sustainable environmental design, processes and practices when possible or practical.

(3) Site layout and building arrangement.

a. The layout, mass, orientation and height of the structures on the site, including areas for use by motorized vehicles for circulation, parking and storage, should allow for appropriate use of the proposed development in light of surrounding uses, traffic patterns, pedestrian facilities, neighboring and opposite structures, and topography. The arrangement of structures on the site shall also be evaluated for their potential impact

on the provision of city services, such as access for emergency vehicles.

b. The setback of structures shall conform to those of the underlying zoning district unless the following criteria provide a greater distance:

1. From surface water (OHWM), floodway, or 100 year floodplain: 60 feet from the mapped or surveyed limits.
2. From open drainage channels: 25 feet from the OHWM if documentable, or from the centerline of the channel if not documented.
3. From slopes exceeding 12%: 25 feet from the top of the slope, and from the bottom of the slope.
4. From a designated habitat area: 25 feet.
5. From a Primary Environmental Corridor, Secondary Environmental Corridor, Isolated Natural Feature, as identified by the Southeastern Wisconsin Regional Planning Commission, as recognized or modified by the City of Racine: 25 feet.
6. Reductions of the setbacks listed in 1-5 above may be approved through the conditional use process, if environmental protection objectives are accomplished to the same or greater degree.

(4) Project design. All projects shall be designed with attention and sensitivity to the historical, architectural, and physical context in which they are, or are to be located. Special attention should be paid to the sidewalk level of buildings through the creation of pedestrian orientated details. Project design considerations are as follows:

a. General requirements are that all buildings should have a unified design treatment and ; finished construction on all sides; facades facing the river shall be considered in design and function as if a street facade; any roof treatments or parapets shall extend completely around the building; and all rooftop equipment shall be screened from view.

Part 11: Sec. 114-829(4) through (8) is renumbered to be 114-829(5) through (9).

Part 12: Sec 114-829(10) is created as follows:

(10) Modifications to criteria. The above criteria may be modified by provisions of the Flex Development overlay, a Planned Development conditional use permit, or by administrative discretion as may be afforded by this Chapter.

Part 13: This ordinance shall take effect upon passage by a majority vote of the members-elect of the City Common Council and publication or posting as required by law.
