3. [0344-16](#) **Subject:** Communication from the City Administrator submitting the request of Racine Area Veteran's, Inc., to use City right-of-way for the Memorial Day Parade on Monday, May 30, 2016.

Recommendation of the Public Works and Services Committee on 05-10-16: That permission be granted to the Racine Area Veteran's, Inc. to use certain City streets for the Memorial Day Parade, to start at the intersection of Washington Avenue and West Boulevard, then proceed north on West Boulevard to Osborne Boulevard, and Osborne Boulevard to Graceland Cemetery, on Monday, May 30, 2016, between 9:00 A.M. and 12:00 P.M., in conjunction with this City-sponsored event. The detour for STH 20 is Lathrop Avenue, 16th Street and Taylor Avenue.

Further recommends that the Commissioner of Public Works, City Engineer and Chief of Police be authorized and directed to provide assistance, in the interest of public safety, to implement this event.

Fiscal Note: This event is co-sponsored by the City of Racine; therefore, the requirement for a formal agreement, requiring a hold harmless agreement, an insurance certificate and any overtime charges for additional policemen are not needed.

Tom Eeg outlined the details of the request.

Motion made by Lemke, seconded by Perez to approve. Passed unanimously.

Subject: Communication from the Assistant Commissioner of Public Works/Operations submitting an Access Agreement with T-Mobile Central, LLC., for a cellular service property easement at 1301 W. 6th Street.

Recommendation of the Public Works and Services Committee on 05-10-16: That the Mayor and City Clerk be authorized and directed to enter into an Access Agreement with T-Mobile Central, LLC., for a cellular service property/easement at 1301 W. 6th Street. This agreement will be for a five (5) year initial term, plus four 5-year extension terms.

Fiscal Note: T-Mobile Central, LLC., will pay \$10,400 for 2016 with a three percent (3%) annual escalator.

Tom Eeg outlined the details of the agreement.

Motion made by Lemke, seconded by Meekma to approve. Passed unanimously.

Recommended For Approval

6. [0340-16](#)

Subject: Communication from the Commissioner of Public Works requesting authorization to procure four (4) side-loading refuse collection trucks through the Lake County Joint Purchase Agreement #15015.

Recommendation of the Public Works and Services Committee on 05-10-16: Deferred

Mark Yehlen outlined the details of the request.

Alderman Perez stated until Council approves spending money to automate the cart system, it wouldn't be appropriate to order the trucks now. He feels this should wait until the automated system is approved. He stated it would be irresponsible if we vote to do this now.

Alderman McCarthy stated he agrees with Alderman Perez.

Alderman Shields stated Council should be aware of the automated procedure prior to approval.

Mark Yehlen stated the implementation plan will be presented to Council in August to determine how solid waste service will proceed.

Alderman Weidner questioned if Council doesn't agree with side loaders, what will they recommend. She stated that perhaps the current solid waste trucks should be purchased to replace the existing rear loaders.

Mark Yehlen then questioned how they would handle bulky waste.

Alderman Shields stated the public safety of employees is important. He want to see more details on the costs. Taxpayers need to know how the money is spent and verify it is the best route.

*Motion made by Lemke to approve. On a roll call vote, members voting aye: Lemke
Members voting naye: Meekma, Jones, Perez
Motion failed 3:1*

*Motion made by Lemke, seconded by Jones to defer the item until such time
Common Council has approved a solid waste plan. Passed unanimously.*

Fiscal Note: Funds are available as herein delineated.

Mark Yehlen recommended it be awarded to LaLonde, the lowest responsive, responsible bidder. After bids were reviewed, it was recommended that the Cornerstone bid be considered non-responsive. Review based on past issues with Cornerstone pavement progress. Cornerstone requested Prequalifications and awarded on March 8, 2016. Open contracts are not considered problems during approval. Engineering was later negotiating liquidated damages and there were problems during this. There was a lack of understanding on the liquidated damages by Cornerstone. There were concerns the streets were taken out of service and not re-opened in a timely manner. This was a problem with residents in these areas. Marquette was out of service for a long period of time and work on Taylor Avenue started after the completion date of the contract. He felt awarding the contract to Cornerstone is not in the best interest of the City.

Chris Cape stated Cornerstone is qualified to perform the project. They pay property taxes in the City of Racine and are dedicated to serving this community. He stated not awarding the contract to Cornerstone would save the City around \$31,000.00. He stated delays in his projects including items such as WE Energies performing work in the construction zone outside their project. He stated the City Engineer stated City Inspectors had to work longer periods of time on these contracts. He stated this isn't true as the inspectors were able to work on other projects. He stated he submitted a schedule for the Kinze Avenue Project and it would happen during the required time-frame and within 110 days.

Alderman Lemke questioned if agreements in question have been cleared and asked if Cornerstone worked on past projects.

Mark Yehlen stated these project are now negotiated for closure and yes, Cornerstone worked on multiple projects.

Alderman Lemke questioned if the core issue was the delays in the project.

Mark Yehlen stated the concern is the contractor having an understanding on the timing of the project and the liquidated damages closure.

Alderman Perez questioned whether there was a misunderstanding of how the contract proceeded. He stated it appears they had sub-contractor issues and feels that considering them non-responsive is inappropriate.

Alderman Shields stated he first recommended going to the 2nd lowest bidder. Since the initial past contract problems were resolved, he feels Cornerstone is eligible to do this project. He recommends it going to the lowest bidder.

Alderman Weidner stated she preferred to award the contract to the local contractor. Cornerstone has hired personnel from the Pre-Apprenticeship Program. She also wants to consider the lack of bidder's on projects and awarding a contract to the 2nd lowest bidder could result in less future bids.

Motion made by Lemke, seconded by Perez to approve Cornerstone. Passed unanimously.
