July 3, 2012

Dear Sir,

The Racine Yacht Club and Catamaran Racing Association of Wisconsin respectfully requests an agenda item for the commission meeting scheduled in July. The Racine Yacht Club is planning to host a sailing regatta on August 3rd through 12th 2012. RYC has hosted the event many times in the past. It is expected that 30 teams from across the US will be sailing in the event. All event activities will take place on the site at the RYC.

Our request is for special parking lot use for the parking of small 20 foot boat trailers and some RV's during the course of the event. This worked well in prior years with the use of the two small parking lots immediately next to the RYC: the one on the south side and the one on the west side at the end of Barker St. by the RYC entrance. The RV parking will be contained in the south lot, and the small trailers will be neatly contained and ordered in the west lot. Overnight use of the lots is required, therefore ordinance 70-104 will require a waiver. Other conditions as needed will be strictly enforced.

This request is identical and was granted in previous years. All worked well for everyone. We respectfully ask for the same consideration in 2012. Our representative to our meeting will be Gary Chu DDS MS.

We appreciate your assistance with this request.
