

**Amendment to Alcohol Beverage License Application**

I have applied for an alcohol beverages license with the City of Racine and would like to submit the following amendment(s) to my license application:

- 1) Closing hours on Friday and Saturday nights will be 1:00 a.m., rather than 2:00 a.m., as previously stated.
  
- 2) The licensed premises will not be rented to any persons under 21 years of age, nor can it be used for any events that allow the admission of persons under 21 years of age, unless that person is accompanied by his or her parent, guardian or spouse who has attained the legal drinking age pursuant to Wis. Stat. § 125.07(1)(a).

I understand that the above amendment(s) will be made a part of my license application and that I will be required to abide by and operate according to the above terms if my license is approved.
