Asst. Comm. of Public Works/Engineering

August 14, 2007

TO: Alderman Ron Hart, Chairman
Public Works and Services Committee

FROM: John C. Rooney
Assistant Commissioner of Public Works/Engineering

RE: Roundabout Analysis, State Contract 2703-03-05, Ohio Street – 21st Street to 16th Street,
Clark Dietz, consultant.

We have received a revised Roundabout Feasibility Report from the consultant, which recommends the installation of traffic signals at the intersection of Ohio Street and Byrd Avenue. Attached is the Executive Summary of the report from Clark Dietz, and a letter from DAAR Engineering, the Local Program Management Consultant for WisDOT – SE Region, approving the same.

If the Committee agrees, the appropriate action would be to accept the feasibility report as submitted.

Cc: Joy Hansche
