The City of Racine
c/o Department of Public Works
730 Washington Avenue
Racine, WI 53403

Mayor and Common Council,

The committee planning the 2016 Monument Square Art Festival (MSAF) requests approval for a 2-day street closure of Monument Square Drive and one(1) block of 5th Street (from Main St. West to Wisconsin Ave.) for the operation of festival activities and safe pedestrian access to this annual community event.

Requested street closure schedule for this weekend event is from:
3:00PM Friday, June 10, 2016 to Sunday, June 12, 2016 until 7:00PM.

Monument Square reservations are currently pending with the Department of Parks and Recreation. Attached are permission slips from a majority of the businesses on Monument Square Drive.

Please advise MSAF of the fees assessed to implement the requested street closure. As in past years, street barricades will be required from the city for the 5th Street block and Monument Square Drive.

Thank you in advance for your timely consideration of these requests.
