

To: City of Racine Public Safety and License Committee

I am writing to express my support for Trevaun Dye in his application for a bartender license. As The Owner of Uptown Pub & Grill I have had the pleasure of working with Trevaun and have witnessed his dedication, professionalism, and passion for the hospitality industry.

Trevaun has consistently demonstrated good skills in customer service, teamwork, and communication. He has a good understanding of beverage preparation and alcohol service and is committed to maintaining a safe and enjoyable environment for all patrons. His ability to handle high-pressure situations with grace and efficiency is commendable.

I believe that obtaining his bartender license will also greatly benefit our establishment. Trevaun is eager to further develop his skills and contribute positively to the community.

Thank you for considering this letter of support. If you have any questions or require further information, please feel free to contact me.

Sincerely,

Ron Guarascio
