Dear Mayor and Common Council,

I am getting sick tired of people parking in front of duplex with cars that have broken back window or cars that don't run at all. They stayed parked in front of duplex till I have to call the police to have them tow the car down to the police in pound. ~~the~~ the tenants that live in bottom part of our duplex should park in front of them so that we be able to watch our cars so that the kids down the street don't mess by them. What I want you to do ~~is~~ ~~is~~ is put up no parking so that no one parks in the duplex with cars that don't run park in front of our duplex. The kids down the street jump on our car or run around our car. so I am asking you to consider to put up no parking signs on Hamilton st. or tenant only parking signs for 1902 Hamilton st lower and 1904 Hamilton lower. so we can park in the front of our duplex and next door neighbor can park in front of her duplex. The tenants that live in these two lower address should be able to park in the front of our duplex so our cars don't ~~get~~ get mess with by the kids down the street. so I would prefer a no parking on Hamilton st or a ~~tenant~~ tenant parking only for us and our next door neighbor.

Thank you,
Tonya Chester
