RE: Proposal for 2006 Design Engineering and Construction Inspection Services
for Ramp Improvements

We have received a professional services agreement from HNTB for preparing plans, specifications and construction inspection services for the 2007 Ramp Improvements.

The proposal is in the lump sum amount of \$44,800, with reimbursable expenses not-to-exceed \$2,000 and funding is available in Account No. 986.106.5010, Transfer to Fund 106 – Parking.

If the Committee agrees with the proposal, appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
