

**Amendment to Alcohol Beverage License Application**

I have applied for an alcohol beverages license with the City of Racine, and would like to amend my license application as follows:

- 1) Premises description shall state, "Building space of 2409 sq. ft., and outdoor fenced-in deck area of 1000 sq. ft." No boat slips/launches may be included as part of the premises.

I understand that the above amendment will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.
