Subject: Ban on Glassware

Importance: High

Donnie,

Might it be possible to amend the Municipal Code to exempt the Zoo from Sec. 70-89. Glass containers prohibited? We use glass containers for a wide range of things at the Zoo and if we can fast track this we can also alleviate a major concern about Brew Fest being held here.

Many thanks,

Jay

Sec. 70-89. - Glass containers prohibited.

No person shall possess or use any glass container or bottle in any city park, recreation area, playground or boulevard.

(Code 1973, § 7.05.190)
