Ladies and Gentlemen,

On behalf of the Racine Zoo, I am asking for approval to utilize the north Beach walk/run path for our 5k walk/run for the animals to be held on Saturday, May 13, 2017 in honor of Mother's Day! We will need to use the requested path from 6:00am for set-up through 10:00am for takedown. The event will be from 7:00am-09:00am.

We will also be utilizing the Racine Zoo grounds as the starting and ending points of this event.

Thank you so much for your consideration and I hope that some of you may want to participate.

Looking forward,

Amber Olsen
