Re: Allies behind 2001 and 2000 Case Avenue

Greetings Mayor and Common Council Members:

We are contacting you in regards to the above allies. The alley behind 2001 Case Avenue is in dire need of repair. The potholes are atrocious.

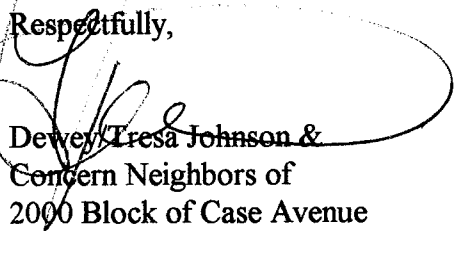

We use these allies to access our garages and need them to be more serviceable.

Due to the unwanted and unsafe activity in our neighborhood of late, we find it necessary to safe guard ourselves in as many ways as possible. Therefore, we are requesting additional lighting in both allies. Additional lighting will emit a safe guard.

We are also requesting a No Parking sign for the alley behind 2000 Case Avenue. When cars park in the alley it is impassable and hard to enter our garages.

Please reference us in regards to our request. Contact information: (262)634-1435,

Respectfully,

Dewey Tresa Johnson &
Concern Neighbors of
2000 Block of Case Avenue
