RE: Liquor License

Dear Committee,

This letter is to request a change of liquor license location from 309 Main street to 422 Main street. The request is being made do to the fact that the previous building owner at 309 Main St. has sold the building leaving me to find another location, which I have, and I spoke with the owner of 422 Main St. she assured me she wasn't selling any thing soon. My intentions will be the same as they were in my previous business plan that I submitted and was approved for 309 Main St.. In addition I would like to apply the money that was paid for 309 Main St. to go towards the license for the new proposed building at 422 Main St.

Thank You
Marina Vela
