City Engineer

Re: Approval of Transportation Project Plat for State Project ID: 2703-08-01, S.  
Memorial Dr. (Limits: Durand Ave. to 17<sup>th</sup> Street)

We are submitting the right of way plat for S. Memorial Drive project (State Project ID: 2703-08-01, Limits: Durand Ave. to 17<sup>th</sup> Street) for approval of the Transportation Project Plat. If approved, the acquisition of property in fee and temporary easements can commence.

The acquisition of property will be completed in 2025/26. The right of way plat is attached for reference. The roadway construction is scheduled to be completed in 2026.

Fiscal Note: Funding for the City share will be provided from the 2025 – 2034 Capital Improvement Program Budget.

If the Committee agrees, the appropriate action would be to approve the Right of Way Plat and authorize the appropriate signatures of the plat.
