RE: Claims for damages/reimbursement

The following claim has been received as indicated below, and this office has gathered information to assess the claim. Based upon the information that is available to me, it is my recommendation that the claim be denied.

- Stephen Schwallie, of Lake Villa, Illinois, claims reimbursement in the amount of \$250,000.00 for injuries arising out of an auto accident on June 21, 2005 at the intersection of 10th Street and Wisconsin Avenue involving a Utility vehicle operated by John Ulcek.

If you agree with this recommendation, please place this item on the agenda for the next meeting of Water Utility Commissioners for their action.
