Common Council, City of Racine
Public Works and Services Committee
730 Washington Ave.
Racine, WI 53403

We, the property owners of the 1300 block of West Lawn and Monroe Avenues, are appealing the decision of the Common Council, City of Racine, Public Works and Services Committees' decision to pave the alley fronting our properties.

We oppose said paving as not only unnecessary but also cost prohibitive for many of the area residents.

Thank you,

Ronald H. Muntz Jr.
