We have received Amendment No 1 to the three-party agreement from HNTB for preparing plans and specifications for the reconstruction of Sixth Street from Grand Avenue to Main Street, Project ID: 2440-08-00.

The amendment is for additional work required such as, additional traffic study, and a hazardous materials assessment and three additional meetings with the Citizens Advisory Committee. The amendment is in the amount of \$40,487.39, with the City's share being \$10,121.85, with the State picking up the \$30,365.54. Funding is available in 987.908.5080, Sixth Street – Main Street to Grand Avenue.

If the Committee agrees with the proposal, appropriate action would be to approve the proposal and authorize the Mayor and City Clerk to enter into the agreement.
