Mr. Brian O'Connell
Director of City Development
730 Washington Avenue
Racine, WI 53403

Dear Mr. O'Connell:

Racine Habitat for Humanity would like to request extension of the sewer line on 1501 West Street to facilitate sewer lateral hook-up for a new construction on the West Street lot.

The current sewer line stops at the adjacent house to the west; it stops short of this project. The approximate extension would be 20 to 30 feet.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Jan Roland".
