RE: SPECIAL REPORT
TOBACCO COMPLIANCE CHECKS, September 20, 2008, and September 23, 2008.

Dear Ms. Johnson-Martin,

The following are the Racine establishments that were checked for tobacco compliance during the month of September by Investigators Nicholas Groth and Kevin Klinkhammer.

Tobacco Compliance Checks

On September 20, 2008, Investigator Kevin Klinkhammer was assisted by a 17 year old minor volunteer in conducting tobacco compliance checks in the City of Racine. They were able to check 20 establishments in the City. Out of the 20 inspections completed, four sold tobacco to the underage volunteer. One of the establishments checked was closed at the time of the checks.

On September 23, 2008, Investigator Nicholas Groth was assisted by a 16 year old minor volunteer in conducting 20 additional tobacco compliance checks in the City of Racine. Out of the 20 inspections completed, six sold tobacco to the underage volunteer. One additional store, AD United Petroleum located at 1917 16th St., was issued a citation for Sale of Single Cigarette. That transaction was witnessed by the volunteer. One location was closed at the time of the checks. And, one location no longer was selling tobacco products.

Also, the establishments listed who passed were notified by mail of the compliance check per the Wisconsin WINS agreement. The ten establishments that were not in compliance were cited. The store clerks who actually sold the tobacco were the parties who actually received the citations.

(Businesses in red, were not in compliance.)
