Donna,

Here is the request Mrs Jacobson has regarding failure of the drainage in front of her house.

Mayor & Common Council:

I would like to appear before the appropriate committee to discuss drainage problem that we (my neighbors on Windword DR.) have had since I built my house. The water is coming from the house south of my home. I talked to the city before about this matter, they salt it from time to time, but the problem still persists. The problem I have now is the worse since I built my home. I showed Alderman Hart the problem, and he agrees it should try to correct the problem..

Thanks,
Doris Jacobson
